From where I sit... by Joe Marsh

The "Write" Prescription

Noticed three half-finished letters lying on the counter down at Jones' Drug Store last week. "Writing three at once, Doc?" I asked.

"No," Doc said, "you are—you and the rest of the town. Those are for the boys from our town who are at the National Guard encampment."

"Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard to protect our freedom. Even freedom is made up of a lot of things—living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

**ARMSTRONG
MIRACLE TIRES**

GUARANTEED 24 MONTHS AGAINST ALL ROAD HAZARDS

This "OUNCE OF PREVENTION" can save your life!

With ordinary tires, when you put on your brakes, tread ribs of your tires tend to compress into a smooth, slippery surface. That's because the ribs squeeze together under pressure—like the edges of your fingers when you make a fist. Tread loses its vital grip on the road... and you skid!

With life-saving Armstrong Tires, when you put on your brakes, the tread can't compress! Can't squeeze together—can't lose its grip! "Ounce of prevention" discs between ribs keep gripping edges apart—like your fingers when you put rubber discs between them. You don't skid!

BE SAFE!

Don't buy 2nd or 3rd line "price" tires. Insist on 100% level 1st line—original equipment type tires or better.

DON'T TAKE
CHANCES ON
YOUR LIFE!

ALSO SAVE ON ARMSTRONG FIRST LINE TIRES
Top quality, 100% level. These are the same grade tires that came on your new car. Guaranteed 18 months against all road hazards.
