Lions Prove Best Team Claim Friday

Seaside Encounter Next on Logger List For Friday Evening

Friday evening a spirited band of St. Helens Lions invaded the local gridiron and provided the arm chair quarterbacks hard cold facts to substantiate their claim of having one of the best teams ever produced at St. Helens. The invading Lions took the measure of the local eleven by the resounding margin of 45-6.

St. Helens started this annual civil war of the turf by taking the ball on the first play from scrimmage and scoring on an 88yard run with the Lions' all-state back, Marshall, doing the ball tot. ing. Once more during the first quarter the visiting squad crossed into paydirt making the score at quarters end stand at 12-0.

Second quarter play was practically a repetition of the first with the Lions hanging up two more TD's. Halftime whistle revealed the count to stand at 19-0 | and was 54 years old at the time in favor of the visitors.

Third and fourth quarter play proved rougher going for the visitors as the local pigskin handlers settled down, playing much better defensive ball. St. Helens tallied two more T.D.'s, one in each of the remaining quarters to hang up a grand total of 45-6.

Vernonia's only TD came in the waning minutes of the game when Bobby Crowston tallied from 28 yards out when he troke through into the Lions' secondary, dodged would-be tacklers and went all the way for the TD. Try for point was no good.

Injuries were slight in the fray with only one man getting hurt. Johnny Daniels suffered a rough shaking up, but should be able to play Friday night against the line-up besides Daniels will be Pat Lloyd, guard; Ricky Busa. fullback and Dick Johnson, halfback, all whose absence was very much in evidence last Friday evening.

As far as outstanding players go in Friday night's game, Chet Ray was the standout on defense. Time after time Ray stopped Marshall's ground-eating gains. Roy and Bill Higley, Carol Halsey and Bob Crowston also played a good ball game, but were hampered by the Lions having just too much in the field of talent. The Loggers were outmanned, outclassed and outweighed by the invading St. Helens eleven.

This Friday evening Vernonia will engage the Seaside eleven in their second LCL game of the season at Seaside. Spirit remains high to the Logger camp and the squad is determined to bounce back after last week's shellack-

IV Team Meets Saints Monday

The Vernonia Logger JV's journeyed to St. Helens Monday afternoon to engage the St. Helens JV's in their first game of the season. The Baby Loggers showed their big brothers up in the fact that they came out on the short end of the score by the tally of only 19-25.

The Lions made their last seven counters with but a few minutes to play which won the game for them, the score being tied at 19-19 up to that point.

The Vernonia Babes provided the St. Helens team with a pass. ing game which caught the Baby Lions flatfooted. The pass combination of Bob Bates to Buddy Fulton accounted for two of the local's tallys and Don Halsey accounted for the third.

Carriers See Round-Up

Four Oregonian carriers from Vernonia were awarded trips to the Pendleton Round-up last week because of the record they had made in securing new subscribers on their routes. Cleatus Lankston, Roger Thompson, Wayne Shafer, and Allen Ade left here Thursday morning and were taken to Pendleton by Byrle Price of St. Helens, Oregonian district manager. They returned home Saturday.

Instruments for **Band Purchased**

At the meeting of the high school board last week, most of the time was taken up with routine business and the allowing of a long list of bills related to aperational expenses of the school and the beginning of the school year.

Two appropriations of special interest were the bill of \$931.80 for new band instruments and the bill of \$1481 to Colorado Fuel and Iron Co. for the new cyclone type fence built during the summer around the athletic field

The band instruments acquired were a bass drum, snare drums, bass viol, tympani and piccolo which should be a big help in the work of that departemnt. The fence not only adds to the attractiveness of the school grounds but also serves as a protection to the investment in the development and maintenance of the field by keeping cars off it. Posts. were placed across 100 feet at the back of the field to prevent cars entering from that direction

Speech Course Being Offered
