Governor Gives Proclamation

The traffic toll throughout North America continues at a shocking rate and the total registration of motor vehicles, using our streets and highways is increasing and exhaustive studies of the facts surrounding traffic accidents indicate a human failure as a major contributing factor.

The Fraternal Order Knights of Pythias has been conducting a continent-wide Highway Courtesy Campaign, and the governors of the various states of the United States and the Premiers of the provinces of Canada have been called upon to give their active support to a program of highway safety as a contribution to the reduction of traffic accidents. All major traffic safety organizations have been endeavoring to promote a greater acceptance of personal responsibility as a contribution to the efforts of public officials in the fight to reduce traffic accidents.

I, Paul Patterson, Governor of the State of Oregon, encourage this "grass roots" courtesy campaign and hereby designate February 14 to 20, 1955, inclusive to be Knights of Pythias Highway Courtesy Week, and urge all the people throughout the state to exercise courtesy and caution in

their driving and walking in that we may re-emphasize the importance of personal responsibility in the reduction of traffic accidents.
