BITS ABOUT COLUMBIA COUNTY'S ONLY GOLF COURSE

Don't say we didn't warn you. It happened Sunday in the Sweepstakes. Jim Peters, one of our bright prospects among the junior golfers had a good day. Jim shot two rounds of 45 each for a 90. With a 24 handicap deducted from this 90 he had a net of 66 which took low net prize money. We forecast sometime back that these juniors would cause a little difficulty in the tournaments. Ben Brickel had an 84-16-68 for second low net, and Tom Bateman again claimed low gross with rounds of 39-40 and 79.

How would you like to have a movie of your own golf swing? We have made arrangements with a local photographer to take these movies so you can study your swing and make your own corrections. Information available at the club house. Maybe a movie now with your present handicap and another about late July with a handicap about 8 or 10 strokes less.

It's really surprising when you stop and think about it. The following is a list of towns and cities which have been represented at our little golf course during this infant spring season: Rainier, Clatskanie, Portland, Eugene, Cathlamet, Washington, We-d, California, Birkenfeld, Longview, Springfield, Forest Grove, Cornelius, Hillsboro, Mist, Independence, Seattle, Klamath Falls, Beaverton, St. Helens, Washington, D.C. and Tacoma, Washington.

This coming Sunday, in addition to the usual sweepstakes we are planning a closest to the pin contest. The sweepstakes of course will be for 18 holes. Closest to the pin contest will be combined with your regular play regardless of the number of rounds played.

Are we ready for outside competition? Let's line up a match or two for May. What do you say?

Thirty-nine per cent of the deaths and 335 per cent of the injuries due to motor vehicle accidents last year occurred on Saturdays and Sundays.
