Prize Winners Announced At Pomona Grange Meeting Held at Yankton

There was a good attendance at the regular quarterly meeting of Columbia county Pomona Grange at Yankton May 5 with Warren Grange entertaining. Many home owners expressed the belief that taxes are getting too high, and reappraisal of values came in for a share in the discussion.

Under the chaplain's direction, a memorial ceremony was held in the afternoon, with the altar being decorated for those who have passed away in the last year. Tribute also was paid to mothers, with Mrs. Mary Winn receiving a potted azalea for being the oldest mother present. Mrs. Winn just returned from spending the winter in Arizona. Mrs. Ludine Brown and Mrs. Faye Tarbell tied for the youngest mothers present.

Judging of the pillowcases in the State Grange sewing contest resulted in Mrs. Anna Mauris of Fern Hill Grange receiving first place; Mrs. Pearl Zerkel of Marshland second; and Mrs. Selma Myers of Warren Grange, third. Two hooked rugs were entered in the national contest. Mrs. Edith Bacon of Warren was first, and Mrs. Udey of Winema Grange was second. First place winners will be shown at State Grange next month.

It was announced that the Pomona 4-H scholarship was awarded to Lynda Fildes of Chapman. She was present to thank Pomona for this award.

In the evening a class of twelve candidates were instructed in the fifth degree of the order, and an interesting program was enjoyed. The speaker of the evening was Howard VanNice, who talked on mental health and the present improved treatment of such cases.

Plans were made for the annual Pomona picnic at Big Eddy park on the last Sunday of July, with the same committee as last year. The grange intermediate meeting will be held at Yankton on June 24. The next Pomona meeting will be at Fern Hill in August.

Parents Night Proves Popular

A very good attendance of parents made the Mom and Pop reception given by the Girls League at Vernonia high school last Thursday evening a very successful affair.

The theme, spring flowers, was carried out in the decorations with white and lavendar lilacs in predominance. A program of musical numbers, tumbling acts and a style show was presented, after which parents viewed exhibits of students work.

Among the especially enjoyed features were the reaction tests used in driver's training which revealed that often parents reactions are slower than those of their teen age sons and daughters.

Audio-visual aids were also displayed and parents were given the opportunity of taping their voices.

Music Festival Selects Five

Five music students from Vernonia high school were among the more than 500 students from Oregon and Washington who gathered on the Pacific University campus at Forest Grove last Thursday, Friday and Saturday for the ninth annual Music in May festival. They were selected for participation on the basis of their musical ability on recommendation of their instructor, and the need for their particular contribution in making up the orchestra, band and chorus.

Those from Vernonia who were selected were Dane Brady, Bertha Keasey, Pat Brissett, Virginia Johnson and Virginia Ray. Pat Brissett had the honor of being the first solo saxaphonist for the entire group.

The festival was under the direction of Donald Thulean, music director at Pacific, who also acted as festival director of the orchestra. Andrew Loney Jr., director of music at Klamath Falls was band director, and Archie Jones from University of Texas, directed the chorus.
