

Officers Chosen By 4-H Leaders

New officers were elected for the Columbia county 4-H Leaders association at their recent meeting held in Clatskanie. Those chosen to direct the business and activities for this group for the coming year are: President, Mrs. Arnold Tarbell, Warren; vice-president, Mrs. Bessie Moholt, Rainier; secretary, Mrs. Clyde Thornton, St. Helens; treasurer, Elmer Jensen, St. Helens.

Louis Towne, power use engineer for West Oregon Electric, Vernonia, talked on the application of electricity to 4-H club projects. He also showed a film stressing the use of proper size electrical services and circuits in the home.

The older youth group of the 4-H also met and planned a pot-luck supper and program to be held in the youth building at the fair grounds November 11 at 6:30 p.m. All 4-H club members 14 years of age and over are urged to come.

Mist-Nehalem Unit To Make Decorations

The attention of the ladies who belong to the Mist-Nehalem extension unit is called to the meeting set for Friday, November 8 at the home of Mrs. John Crawford near Mist. They are advised to rustle around and find their husband's tin snips and needle nosed pliers so that they will be prepared to learn the making of Christmas decorations from tin cans. Of course, they will also need some clean tin cans and tin can lids.

Mrs. Norman Hanson and Mrs. John Howry, this month's project leaders, will also instruct members how to make dried flower arrangements. Members are to bring native materials, (dried flowers, wheat stalks, corn tassels, etc.), florist clay, needle point flower holders pebbles and shells and a base for the arrangement to be made.

The meeting will start at 10:30 a.m. and there will be a pot-luck luncheon at noon. Members are invited to bring a friend, also.

4-H HARVEST: CITIZENS OF TOMORROW

NEARLY 600 Columbia County 4-H club members will receive recognition as community builders, November 2, 4-H Achievement Day. A total of 29,600 boys and girls are enrolled in 4-H club work in Oregon. Adults and youngsters, farm or town, who would like to learn about the 4-H club program, are invited to call or phone the Columbia County Extension office located in the Courthouse at St. Helens, Oregon.

Riverview Homes Get Improvement

RIVERVIEW—There has been extensive remodeling of several Riverview homes recently. Two bedrooms and a bath were added to the Carl Brauner house earlier in the year but the interior finishing is being done at this time.

Harold Elliott has added a living room across the north end of his house with three large picture windows. The Elliotts purchased the Martin Davis home early this year.

Merle Cline has enlarged their living room and built a fireplace, added one bedroom and enlarged another bedroom.

Mrs. George Peachey and two sons left Saturday for their home at Camp Irwin, near Barstow, California. They had spent several weeks visiting relatives here.

Charles Allen spent several days last week at Tuality Community hospital in Hillsboro with flu and near pneumonia. He is improving now although he is still confined to his home.

Mr. and Mrs. M. C. Brewer and baby have moved from the Rattie house on the highway to the Lovell Shelley house on Second street. Mr. Shelley left some time ago to work at a mission at Riverside, California.

Chief Petty Officer and Mrs. Glen Laymance and baby visited his cousin and family, Mr. and Mrs. Ralph McKee, over the week end. Officer Laymance has been in the navy several years and is now stationed at Astoria.

AUTOMOTIVE FLASHES

YOU'LL SEE THEM SOON: The new Dodge and Plymouths for 1958 and when you do, you'll find significant advances in safety engineering, fuel economy, engine performance and styling advances in keeping with the trend-setting characteristics of both cars.

Just one of these features is the "Sure Grip" differential which provides pulling power to the rear wheel with the most traction, eliminating wheel-spinning on ice or snow, or in sand and mud.

Don't fail to see these cars when they are placed on display early next month.

Meanwhile, you'll want to prepare for winter driving with permanent anti-freeze, winter lubricants and a mechanical check-up so your car or truck is in top shape for stormy weather. Let us take care of these essentials now so you will be prepared.

Is it time for a motor tune-up? Better, more economical performance is the payoff after a thorough job of tuning that will find and correct approaching trouble. Bring your car in today.

School Heads Formulate Plan

Eugene Dove was at St. Helens Wednesday of last week to meet with superintendents of the other four county high schools and a representative of the scholarship committee at Oregon State college to determine the plan for awarding the Harrison Collins scholarships for the next three years.

The Harrison Collins scholarship fund was set up from an estate and is invested in bonds and securities, and the annual income from this is used for the scholarships. They are specified for use at Oregon State college and are designated for first year students.

The committee voted to continue the plan that has been in operation of allowing one scholarship each year to each of the five county high schools.
