GOLF NEWS and VIEWS

By Gordon Reed

Our weather still holds good for golfing, even though it is tough on our loggers and farmers. It is getting very tough on the golf course fairways as you can see by that very brown and dry condition. We are able to keep the greens in nice condition due to our sprinkler system and all night watering three or four nights per week. It is satisfactory not only to the golfers, but to ourselves when they hit a ball to our greens and it stops where it hits or only rolls a short distance. Many courses at this time of year have trouble with the ball not holding on the greens due to their very dry and hard condition. Vernonia Golf club has had many nice compliments on how well our greens look and hold a ball.

Last Saturday we had another fine group of fellows from the Crown Zellerbach company, St. Helens division play a tournament on our golf course. Most of their men are regular players at their Columbia county golf course and we believe they all enjoyed themselves, especially the following golfers who won the prizes:

Low net, John Zanniker; second low net, Howard Hall; third low net, Wally Lambert; longest drive on No. 3, Harold Amos; closest to the pin on No. 4, John Younce; fewest putts, Burt Zucher.

We hope they enjoyed their match as much as we enjoyed their company and that another match can be arranged soon.

Again Sunday many new faces showed up from the Forest Grove, Beaverton and Portland area to play golf. Rainier also had quite a few golfers on the course. Gene Stennick who has entered the Southern Oregon golf championship, to be held at Medford, over the Labor Day holiday as a player from the Vernonia Golf club, played 27 holes of golf with his brother Bob. Gene turned in scores of 38-36-42. Bob played 18 holes with a score of 38-38. We wish Gene the best of luck in his matches at Medford.

Did you know? That they have a PEE WEE golf championship each year at Orlando, Florida. Some 300 Pee Wee golfers ages 3 to 15 years play a regular tournament. What fun these kids must have.

Did you know? The national senior open golf tournament (you have to be 55 years of age or older and love to play golf to belong) was held at Esmeralda public course in Spokane last week end? Gene Sarazen, America's dean of golf, was low man after 54 holes of play. While Goggin from San Jose, California beat him with a 72 hole score of 270 to Gene's 271.

In the international senior golf tournament just played in British Columbia, one of the players who was 70 years of age fired one round of 18 holes and had a 70. It is quite a feat to shoot your age in a golf match.

We are trying to prove only one thing: That golf is the one sport that can be played and enjoyed by people of all ages, both men and women.

Birthday Party Held Saturday

MIIST — A birthday party and weiner roast was held at the Harold Case home Saturday evening for relatives of Mr. Case from Astoria, Mrs. Case's daughter and family from California and Mr. and Mrs. Sam Devine.

A fire was narrowly averted early Monday morning at the village store when one of the motors burned out in the freezing unit.

Mrs. Julia Wiester and her father-in-law, Al Cavanaugh went to Portland Sunday to visit friends.

Dick Herman from South Dakota has bought the George place just outside of town here. He intends to repaint and fix it up some.

Mr. and Mrs. Richard Melis were here from California over the week end and visited his uncle and aunt, Mr. and Mrs. Irving Knowles. They went on to Seattle to visit his sister, Mrs. Florence Furgeson.

Mrs. Al Cavanaugh is back from three weeks visit at Arlington, Washington.

Mr. and Mrs. Charles Hockman are here from Beaverton visiting their niece and nephew, the Chas. Sundlands.
