At the meeting held Tuesday I evening of this week, the Pioneer cemetery was discussed and plans wre made for setting additional posts to fortify the fence. For this work, the lodge is asking the help of every family having plots in the cemetery. Those who can I and will assist are asked to contact Bob Spencer.

Before Memorial day, members of the lodge mowed the grass and did the cleaning up as they have in former years. Ernest Herman, A. E. Wood, Carl Davis and Frank Lentz worked on the previous Saturday and Ralph Mc-Kee and Bob Spencer completed the job last week. The need was pointed up for a good power mower for use at the cemetery and an effort is to be made to secure funds for one. A \$15 donation has been promised if families who have plots there will make contributions to complete the amount needed. It is believed that those who have relatives buried there will be glad to help insure this care for the cemetery. Contributions may be given to Spencer, also.

Temple Awards Grocery Basket

At the meeting of Vernonia Temple, Pythian Sisters, held at the IOOF hall Wednesday evening of last week, the grocery basket was awarded to Mrs. Marvin Meyer. The plastic clothes basket was filled with canned and packaged foods and included a ham. Money raised from the project was used for the 4-H scholarship which has been awarded to Virginia Towne who will attend the summer school at Corvallis which begins June 20.

At the previous meeting, a letter was received from Virginia thanking the temple for the scholarship. After she returns from school, she will visit the temple and give a report on the activities

of the week there. At the next meeting, balloting will be exemplified and practice will be held for initiation. All members are urged to be present Also, plans will be made for the temple participation in the Friendship Jamboree.

Take Steps Now to Prevent Weevily Peas, Says Walrod

Now is the time for home gardeners to start taking steps to prevnt weevily peas.

Adult pea weevils have begun to emerge from their winter hibernation quarters reports Don Coin Walrod, county extension agent. These adult weevils are the ones that need to be killed before they lay their eggs.

Dusting the peas when the first pods appear provides effective control, but the dusting will need to be repeated at 5 to 7 day intervals until the peas are harvest-

Milk Is Needed For Good Health

A bottle of milk can do more to provide good health than any body building course ever offered.

Milk is the one single food that does most to make you feel better as it continuously rebuilds bodies of adults. As Oregonians celebrate June dairy month, county extension agents offer more nutritious news about milk and other dairy products.

If you think your milk bill is running too high, you can save by using skim milk, buttermilk and canned evaporated milk, in addition to the big money saver nonfat dry milk. Nonfat dry milk can be made into fluid skim milk at about a third the cost of fresh whole milk.

In some places shoppers can save a cent or two a quart by carrying milk from the store instead of having it delivered.

Some milk delivery firms charge less if they deliver a certain number of quarts regularly

Often dairies charge less per quart for two quart or gallon containers than by the quart.

Avoid so-called "good buys" on raw milk. Serious human discases can result from the use of unpasteurized milk. Pasteurization insures a wholesome product.

Is your family getting enough. milk? Home economists say that children under ten years of age need 3 to 4 cups a day, teenagers at least 4 cups, adults 2-3 cups, pregnant women 4 cups, and nursing mother 6 to 8 cups.

Ridge Riders Announce Change of Sunday Plans

At the meeting of the Vernonis Ridge Riders saddle club held Tuesday evening at the West Oregon building, a change of plans was announced concerning a playday at Goble. Club members had been invited there Sunday for a 4-H playday, but it has been cancelled due to a pony express ride on that side of the county this week end which will take the attention of riders. Another date will be announced later for the Goble event.

A very good showing was made by the Ridge Riders in the Memorial Day parade held Saturday,
