Income Tax Filing Requirements Explained By District Director

Every citizen or resident of the United States, including minors, who had a gross income of $600 or more in 1959, must file a Federal income tax return on or before April 15, 1960, A. G. Erickson, director of Internal Revenue for the Oregon District, reminded taxpayers today.

If the taxpayer is 65 or over on January 1, 1960, he is not required to file unless his gross income in 1959 was at least $1,200, Mr. Erickson said.

He added that even though a taxpayer is not required to file under these rules, he must file to obtain a refund if any income tax was withheld from his pay.

Mr. Erickson said there is one exception to the general rule. Self-employed persons must file an income tax return and pay a self-employment tax if net earnings from self-employment were $400 or more.

He explained that self-employed persons are those carrying on a trade or business as sole proprietors, as members of a partnership, or rendering services as independent contractors.

Mr. Erickson said the deadline for filing is April 15, 1960, but he urged taxpayers to file as soon after January 1, 1960, as possible and mail their returns to "District Director of Internal Revenue" for the district in which they live. Checks or money orders for any tax due must accompany the return and should be made payable to the "Internal Revenue Service," he said.

Taxpayers who have questions on this subject may obtain Document No. 5107, "Filing Your Tax Return," by calling or writing to their local Internal Revenue office, Mr. Erickson said.

For persons who wish assistance with their reports, the Portland office, 830 N. E. Holladay (telephone BE 4-8211) will provide continuous service each work day from January 4 through April 15. Office hours for taxpayers assistance at Portland will be from 8:00 a.m. to 4:45 p.m. until April 1. From April 4 through April 15 Portland will establish a 4:00 p.m. closing for taxpayer assistance to allow time for assisting the last hour rush within a reasonable time.

4-H Officers Given Pointers

One hundred twenty-five 4-H club boys and girls and 4-H club leaders attended a 4-H officers' training meeting at McBride school in St. Helens Saturday, January 16.

Columbia County Sheriff Spencer Younce, talked to the group about the importance of the kind of training given to members of 4-H clubs and other youth organizations. He stressed that files of law enforcement offices indicate that young men and women who are constantly in trouble have not been boys and girls who participated in such organizations as the 4-H club.

Reverend Orlo Hoye of the Episcopal church of St. Helens gave the invocation and also talked to the group briefly about the importance of their offices and the importance of good Christian living.

Mrs. Mildred Williamson of the Sentinel Mist met with the 4-H club reporters and gave them some pointers on writing good news articles. The various officers of 4-H clubs met in individual groups during the morning session for instructions in the duties of their office. During the afternoon, the entire group was given instruction and allowed to participate in games led by junior leaders.
