The charter had arrived and was shown at the meeting by the president, Faye Davis. She also said that the rituals and by laws came but the pins have been delayed until next time. The caps were discussed again but it was decided to wait until the next meeting when a member of Auxiliary No. 187, Mrs. Bernetta Johnson, will be present with her cap.

At the next meeting July 24, each member is to bring a dish towel to stock the kitchen supplies.

An invitation was extended to the Barrack's auxiliary to march in the Jamboree parade.

Mrs. Bernetta Johnson, past district president, presented the Barrack's auxiliary with five dollars because this group had more charter members than any other organized.
