

Dress Workshop Next for Unit

Out-of-town guests were the main attraction at the Vernonia extension unit meeting last Wednesday. They were Mrs. John Wolfe, Mrs. C. E. Lintner and Mrs. Fred Dion. All three ladies are members of the Hillsboro Garden club and have been for several years.

Mrs. Wolfe is the new district director of garden clubs in Pioneer district which is comprised of Columbia, Yamhill and Washington counties. She is an accredited flower judge of the National Council of State Garden clubs as well as being a member of the Flower Arrangers Guild. She told the group points to consider in making flower arrangements for a church and illustrated by making a large basket arrangement.

Mrs. Lintner has attended classes at Portland Flower Arranging school and for a time served as student flower judge. She gave the group interesting points to consider in making flower arrangement for the home and had some lovely arrangements made to show the group.

Mrs. Dion has attended a course at Portland Flower Arranging school and has won as many ribbons at flower shows as any member in the Hillsboro Garden club. She assisted Mrs. Lintner and together they demonstrated simple corsages.

The next meeting for the unit will be October 19 and the project will be treats from the freezer. Everyone is invited to attend and those wishing to become members may contact Marian Cassel by dropping a post card with name, address and telephone number. This information is necessary so the monthly newsletter may be sent.

The better dress workshop will have its first meeting October 12. Anyone interested and having questions about it may call Mrs. Eva Hearing, Mrs. Mabel Gardner, Mrs. Hazel Grosche or Mrs. LaVerne Zimmerman.

Harvey Ridlings Join Ranks of Grandparents

Mr. and Mrs. Harvey Ridling were elated last Friday to receive news of the arrival of their first grandchild, a 7½ pound girl named Debra Alice, who is the daughter of the Ridling's son and wife, Mr. and Mrs. Loren Ridling. The baby was born at St. Vincent's hospital and mother and baby are visiting the mother's parents, Dr. and Mrs. Tom Lipscomb, in Portland. The daddy is stationed at San Antonio, Texas with the army but hopes to get home to see his family soon.

The babe has two great-grandmothers, Mrs. Mary Anderson of Timber route, Vernonia and Mrs. Nellie Lipscomb of Portland.

Mr. and Mrs. Rudy Domitrovich welcomed their first child, a daughter, at Emanuel hospital in Portland last Saturday, September 16. She weighed in at 7 pounds, 9 ounces and has been named Tonya Marie. Grandparents are Mr. and Mrs. Rudy Domitrovich Sr. of Anaconda, Montana and Mr. and Mrs. Mitchell Stimac of Great Falls. Mr. Domitrovich is band instructor at the Vernonia grade and high schools and chorus director for the high school.

Retired Couple Newcomers Here

Mr. and Mrs. David Zamarripa will be at home to their friends at 1091 First avenue in Vernonia after September 18. They bought their home here earlier this spring.

David Zamarripa will retire from the Southern Pacific Railroad as extra gang foreman on gang number 11. For many years the couple lived just out of Chemult at Mowich Siding where he was foreman. He began his railroad career working for the Southern Pacific in 1914 on the coast division, the year he left his native town of Aguascalientes in Mexico. He has worked at railroading ever since.

The couple plans an extended trip to New York to visit with her relatives and later to his home town in Mexico to be with his people for awhile before returning to Vernonia in time for spring gardening.

Various local groups such as the Chemult Community club, the Chemult Garden club, old-time railroad friends and church friends gave them several going away and retirement parties this past week before leaving Chemult for Vernonia. Many thoughtful gifts have been presented the couple for their new home.

Fall Activities Start for Temple

Vernonia Temple Pythian Sisters held its first meeting following summer vacation Wednesday evening of last week. There was a small attendance due to vacations for some, illness for others and work. However, an interesting meeting was conducted by Mrs. Fred Heckenliable, most excellent chief, and plans were started for the fall and winter season.

The next meeting, September 27, will be the last one before the Grand Temple sessions at Astoria with which Lesta Garner will conclude her year as grand chief of Oregon so the temple has planned it as a special event when members will wear their formals and special features are being arranged. It will also be the occasion for honoring those whose birthdays were in July, August and September.

At the Grand Temple sessions October 8, 9 and 10 at Astoria, Mrs. Irma Chance will serve as grand representative for Vernonia Temple and Mrs. Cora Lange and Mrs. Lucille Hickman will act as pages. Mrs. Faye Davis will be in charge of all pages at the session.

Davis-Wald Vows Given in August

August 19 was the date for the pretty summer wedding of Miss Kay LaRae Wald, daughter of Mr. and Mrs. R. E. Wald of Portland, and James C. Davis, son of Mrs. Julia A. Davis of Forest Grove. The ceremony took place at the Milwaukee Presbyterian church at 8:00 p.m. with Dr. Harry Schmidt officiating.

A blue and white color scheme was used with baskets of white gladioli and blue delphinium and blue candles used to decorate the church.

The bride wore a gown of white taffeta made with long sleeved lace bodice and appliqued chapel train. Her veil, which was the gift of a friend in Hannover, Germany, was of scalloped tulle and fell from a crown of tulle net designed with seed pearls and flowers. She carried a cascade of white orchids.

Matron of honor was Mrs. Larry Kirk of Milwaukie and bridesmaids were Miss Margaret Steele of Portland, Miss Kathy Marshall of Klamath Falls and Miss Ronna Lee Wald, sister of the bride. They wore dresses of blue organza over taffeta and carried bouquets of blue and white Esther Reed daisies.

Another sister, Miss Dee Wald, was organist and Don Ebert was

soloist.

Best man was Robert Hendra of Sacramento, California and ushers were Ronald Anderegg, Vernonia; Jeffrey Turay, Cottage Grove; Gary Fendell, Zillah, Washington; Bert Fleskes, Forest Grove and Roy Larsen, Seaside.

A reception in the church fire-side room followed the ceremony.

After a honeymoon trip to the Oregon beaches, the couple left for Sacramento, California where Mr. Davis is teaching this year. Both the bride and groom graduated in June from the University of Oregon, Eugene.

Ridge Riders Schedule Fun Day for Sunday

The Vernonia Ridge Riders have scheduled a fun day for this coming Sunday, September 24 which will be held at Rogers park starting at 1:00 p.m. standard time.

Last Sunday, three members of the Vernonia club, Bob Thompson, Archie Dass and Mike Hobart, attended the fun day of the Pegasus Saddle club at Beaverton and came home with six ribbons.

Stewardess Wings Earned By Ruby Wells Sept. 8

RIVERVIEW — Miss Ruby Wells was presented her stewardess wings September 8 by the overseas division of Pan American Airlines at New York International airport and will be based in New York from where she will fly all over Europe, Africa and the East as far as Hong Kong.

Neil Lloyd of Bradwood visited his grandparents Sunday as he was on his way to Monmouth to enter the College of Education as a freshman.

A/1c Bill Wells is spending his leave with his mother, Mrs. Maude Wells. He has been stationed at Paine Field near Everett, Washington and will leave soon for Clark air base, about 60 miles north of Manila, Philippine Islands for a tour of duty.

It's better to yield the right-of-way than to die right away.

TRUCKS!

WITH NEW
High Torque Power

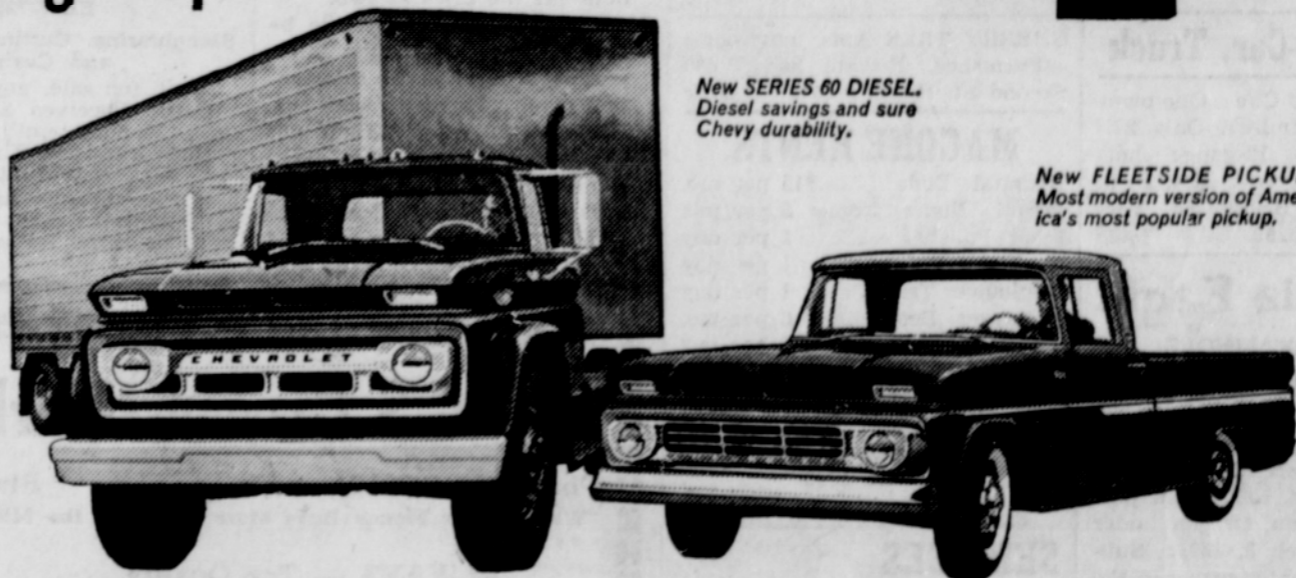

Here they are—handsome, functional '62 Chevrolet trucks powered to work harder in every weight class. Hefty new V8's with the highest torque in Chevrolet history. New diesel brawn for medium-duty models. And new power to pick from in light-duty models.

There's a wider choice of power, a wider choice of torque, across the board. For heavies, there's the new High Torque 409 V8*, with 16½ per cent more torque than ever before available from Chevrolet. Big news in the middle-weight class is the new Chevy-GM 4-53 Diesel. It's compact, rugged, high in torque, and backed by years of GM Diesel experience. In the light-duty lineup, the High Torque 261 Six* adds new sock, new savings in extra-tough applications. You can pick from nine rarin'-to-work, ready-to-save engines.

Handsome new work-styling includes forward-sloping hoods that allow drivers to see as much as 10½ feet more of the road directly ahead. Chevrolet's famous Independent Front Suspension gives you a smoother riding, easier working, longer lasting truck. New heavier duty, smoother hypoid rear axles for middle-weights. Rugged new I-beam front axles* of 9,000- or 11,000-lb. capacity are available on Series 80 heavyweights. Mufflers are longer lived on all models.

You'll find a total of 198 models in the new '62 Chevy line—including three work-proved, versatile Corvair 95's. Every model is built to out-haul, out-last and out-value any other truck at anywhere near the price. See your Chevrolet dealer! *Optional at extra cost
