Jack R. Lindsley, electronics technician seaman, USN, son of Mr. and Mrs. Vernon M. Lindsley of Timber route is serving aboard the dock landing ship USS Monticello, which has joined the seventh fleet in the Western Pacific which will visit ports in the Philippines, Japan and Hong Kong. She is one of the Navy's most modern amphibious ships, having the capability to carry numerous assault crafts, troops and helicopters.

**Coin Club Postpones Meeting for Jamboree**

The Nehalem Valley Coin club, which usually meets the last Thursday of each month, will dispense with the July meeting due to the nearness of the Friendship Jamboree for which the club is arranging a window display. Regular meetings will resume next month, according to Mrs. R. M. Burns, president.

**Schmidlin Trip Itinerary Given**

The FFA tour group in Europe in which Leonard Schmidlin is included is completing three days in Paris during which they made tours of both the modern Paris and the historical Paris, and spent two full days in agriculture visits and meetings.

Tomorrow, Friday, July 27, they leave at 8:00 a.m. for Prague, Czechoslovakia where they will be met by CEDOK, the official Czech travel bureau which assists with customs formalities and transfer to the Zlata Husa hotel. That afternoon they will visit a state farm.

Saturday, July 28, after breakfast in the Prague hotel, they will visit the Zvirostice collective farm, have lunch there and then go to Slapy Dam and Konopiste castle.

Sunday, July 29, they will tour the beautiful old city of Prague.

Monday they will depart aboard Hungarian airlines for Budapest, Hungary where they will spend three days. Two days are reserved for agricultural visits and meetings, including a full day in the country with lunch on a farm. There will also be time for sight-seeing in the city.

August 3, they go from Budapest to Warsaw, Poland, the third and last of the three Iron Curtain countries to be visited. Again, their two days there will include agricultural visits and meetings and city tours.

Monday, August 6, they will fly from Warsaw to Copenhagen, Denmark for a bonus visit to an extra city. There they will be the guests of the Scandinavian airlines. During their free time there, one of the attractions suggested is the amusement park unlike any found elsewhere, the fabulous Tivoli Gardens. They will have a guided tour of the city of Copenhagen August 7 before departure at 6:00 p.m. for New York.

The flight from New York to Portland will be made August 8 with a one hour stopover in Chicago.

Details of the trip are being given to those who helped to make it possible for Leonard may follow his schedule and know what he is doing. He will be interviewed after his return so that his impressions on the trip may be told to everyone.

Officers for the auxiliary were installed by District President Irene Towne with the assistance of the Past Presidents drill team. Those seated were President, Mrs. Fred Heckenliab; first vice-president, Mrs. Justin Folken; second vice-president, Mrs. James Harrison; treasurer, Mrs. Harry Culbertson; secretary, Mrs. Loren E. Stiff; sergeant-at-arms, Mrs. Charlie Biggs.

Mrs. Heckenliab presented gifts to Mrs. Towne and to Mrs. Stiff, outgoing president.

There were guests present from Banks, Forest Grove and Seaside. The potluck suppers which the auxiliary has held jointly with the Legion post each fourth Friday of the month, have been discontinued for the summer months and their resumption will be announced later.

**Program to Give View of Telecast Teaching**

The state educational television network, stations KOAC and KOAP, and the state department of education are presenting at 7:30 p.m., PST, on August 1, a 60-minute television program on the use of educational television in the classroom.

The program is a production of the Midwest Program for Airborne Television Instruction (MPATI) and was developed for use by schools participating in that project. It consists of four segments.

The first segment gives an overview of the school and its facilities; the second segment shows pre-telecast activities in the classroom; the third segment features a telecast of an MPATI lesson in science, intermediate grade; and the fourth segment presents classroom follow-up activities.

**Officers Seated By Auxiliary**

The American Legion and auxiliary held joint installation of officers at the Legion hall Friday evening, July 13.

Prior to the installation, a very impressive ceremony was held in which the charter was draped for Mrs. Ruby Biggs and Mrs. Alvina Sturdevant, members who had passed away just recently. Members formed a cross and each one had a part in the ceremony which closed with the Twenty-third Psalm, a prayer and the singing of the hymn, The Old Rugged Cross, by Mrs. Earl M. Ray.

**Blount Family Attends Paper Company Picnic**

**Shower Is Given For Bride-Elect**

Twenty ladies gathered at the home of Mrs. Dan Lawler last Friday evening to honor Miss Ann Cameron at a bridal shower. A corsage of rosebuds was presented to Miss Cameron when she arrived. The guests placed their gifts on the dining room table which was gaily decorated with streamers, balloons and tablecloth all in the bride-to-be's chosen colors of pink and white.

A word game and a game testing memory and observation were enjoyed by the guests with Mrs. Faith Reynolds and Mrs. Joyce DeHart winning the prizes.

Unknown to Miss Cameron, the expressions and comments she made while opening the many lovely gifts were recorded by Mrs. Lawler who later read them to the group under the heading of "Monologue of a Happy Bride-to-be." This proved to be amusing and entertaining.

Co-hostesses Mrs. Betty Elton and Mrs. Violet Gortler and Mrs. Lawler served the refreshments. A three-tiered cake, decorated with pink rosebuds and topped with a wedding bell, was cut and served with strawberry ice cream and coffee. Pink and white nut cups added to the decor.

The remainder of the evening, Ann enjoyed visiting with friends and classmates. Mrs. Marjorie Carson was a surprise guest, having arrived the same day from Arizona. Other out-of-town guests were Mrs. Joyce DeHart and Mrs. Harriet Light of Portland.

**Ralph Bergersons Home From Interesting Trip**

Mr. and Mrs. Ralph Bergerson and family have returned from a weeks vacation to Bend, Lakeview, Reno, Lake Tahoe, San Leandro and San Francisco. Some of the visits were with Mr. and Mrs. Randall Craig, Bend; Mr. and Mrs. Scott McDonald, Lakeview; Mr. and Mrs. Russell N. Bunch, San Leandro; and Mr. and Mrs. Ernest D. Wade of San Francisco.

Near Lake Tahoe, the annual highway 50 covered wagon train was encountered. While taking pictures, Mrs. Bergerson was invited to ride a few miles in one of the historic stage coaches by some business ladies of Placerville.

The most interesting vehicle was the 10-mule-team covered wagon. This caravan starts at Virginia City, Nevada and continues to Placerville, California past Lake Tahoe and over the high Sierras and takes several days.

The Bergersons took tours through Oakland Fairyland, San Francisco Zoo, China Town, Nob Hill, Mission and Market Streets and Oakland outdoor amphitheater.
