CARD OF THANKS

I CAN'T express my appreciation near adequately enough to my neighbors and friends for the many, many kindnesses that have been done for me and my family. Not only during the time I was in the hospital and since my return home, but also the months previous to my entering the hospital.

To be remembered by the tremendous amounts of cards, letters, gifts, flowers and visits, was most pleasing and made my long hospital stay a more pleasant one.

The food that has been brought to us and the numerous other things that have been done since I came home are really appreciated, also.

I'd like a special thank you to go to my parents, sisters and families, and husband and daughter for all they've done, with patience and faithfulness the past months.

I was grateful for the prayers said in my behalf.

Again, my thanks for each thought and kindness. They will never be forgotten.

Hats Are Made At Unit Meet

A small group, only nine, turned out last Thursday, September 20 for the first meeting of the Vernonia Extension Unit at which Mrs. Emily Terrall of St. Helens was a guest. A potluck luncheon was served at noon.

Mrs. Terrall was named as Mrs. Oregon for 1962 and went to Fort Lauderdale, Florida to compete for the Mrs. America title. That she did not receive but was named as Mrs. U. S. Savings Bonds and she has made many trips across the country in that cause. She related to the ladies Thursday many interesting facts about the Mrs. America competition and her bond work.

Mrs. Terrall is an accomplished seamstress and homemaker and it was in competition with those talents that she earned the Mrs. Oregon title. Hat making is one of her accomplishments and she demonstrated the making of the pillbox hat and each of the ladies present made one under her direction.

Forestry Club Starts Program

Vernonia 4-H Forestry club held its first meeting at Clint's Tree Farm on Keasey road September 18, 3:30 to 6:00 p.m.

Eighteen boys and girls, ages 9 and 10 rode the wagon behind the log team through Christmas tree stand of 60 acres. Some 6 rode on the horses.

Among the techniques discussed and illustrated were limb culture, sprout culture, fork pruning, cone inducing, scarring, and the use of sheep to kill weed-tree stumps.

Several tree species were identified. Mother trees and the rapid disappearance of slash was also shown.

The club expressed thanks to Ralph Keasey whose pickup just barely hauled the members.

Every Tuesday at 3:35 p.m. the club goes to the woods, weather permitting. In case of rain it goes to the Scout cabin in the city park. A few more may join.

At the next meeting a plus and minus test of 10 questions will be given upon the previous tour. By a point system, a monthly prize can be won.

Two years of 4-H Forestry can be easily covered in one by holding weekly get-togethers instead of the once monthly required in 4-H club work. Most of this is adult Forestry plus gun safety, survival techniques and camp craft. Specialists are imported frequently.

Please Observe Red Hat Days

"Red Hat Days", a program sponsored by public and private groups throughout the state, is called to the sportmen's attention as the hunting seasons for 1962 get underway. A symbol of good sportsmanship, the Red Hatters remind all outdoor users to watch their manners as insurance to public hunting.

Phil Schneider, state game director, reminds all hunters that game is the property of the people, but many of the hunting areas are private property.

Hunting on such property is a privilege, not a right, and this privilege can be withdrawn by the landowner.

The pledge of the Red Hat program is threefold: To be law abiding; respect the rights and property of others; and to be careful with fire and firearms.

"You don't have to wear the red hat," said director Schneider, "but you are serving your interests by observing the pledge." Schneider added that "Your hunting license does not authorize trespass on private property," and urged all hunters to ask the landowners permission first.

A genius is an individual who has sense enough to get along with less fortunate human beings.

Child Group Board Meets

Tuesday evening an executive board meeting of the Columbia Association for Retarded Children was held at the home of Mrs. J. W. Thorp. Present were Mrs. R. H. Robinson, Mrs. Elmer Goodwin, Mr. R. H. Hanfield, Mr. William Willson, and Mrs. Ray Godsey.

The revision of the association constitution and by-laws was studied. This will be submitted to the members at the next general meeting to be held in the Chamber of Commerce building, St. Helens, Sept. 20 at 8 p.m. All parents and friends of CARC are invited to attend.

Any theory is interesting, but accomplishment is more convincing.
