Observer Notes Weather Data

With the arrival of the first day of autumn, Sept. 21, people are inclined to look back and wonder what became of summer. On that date, the readings taken by cooperative weather observer Helen Spofford on Corey Hill were: maximum 63 degrees, minimum 54 degrees.

On June 21, the first day of summer, according to the calendar, the readings were: maximum 78 degrees and minimum 40 degrees. There were 33 days this past summer with readings of 80 degrees and above with the highest, 93 degrees, July 26. There were four days in June over 80 degrees and four days in September over 80 degrees up to September 22. There were 11 days in July and eight days in August over 80 degrees.

From the first of June, the time folks like to consider the beginning of summer, there were 14 days in June, 10 days in July, 15 days in August and nine so far in September when temperature ranged between 70 and 80 degrees.

The low readings for this period are: June, 32 degrees; July, 33 degrees at the station but lower elsewhere in the valley; August, 38 degrees and September to date, 39 degrees on two occasions. Again, there were reports of some plants being frozen.

July was the driest month. Only .63 of an inch fell in June, 1.85 inches in August and .53 of an inch so far in September.

Since plants grow very little when temperatures drop below 50 degrees, August was the best growing month. At no time did June minimum temperature get up to 50 degrees. Three times in July it was 50 degrees and once it warmed up to 56 degrees.

In August there were 11 times when the minimum was over 50 degrees with the highest minimum being 59 degrees. So far, three nights in September reached 50 degrees. All others were colder.

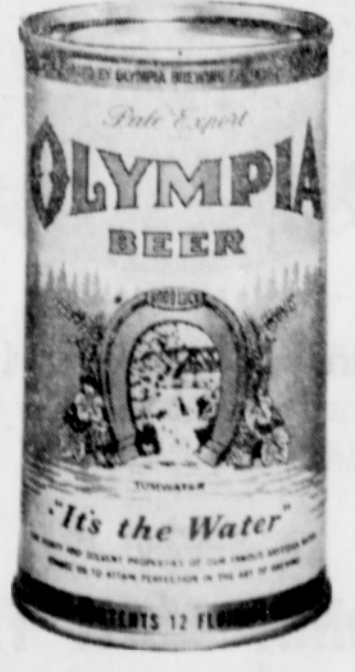

Next Goodwill Visit Date Listed

The next visit of the Goodwill truck to Vernonia will be Wednesday, October 31, and householders are asked to begin filling bags and preparing items to be picked up. There is need now for clothing, furniture, toys, appliances and other items to provide employment during the winter months to those on the Goodwill staff. Persons who wish the truck to stop at their home may call Mrs. Frank Lange, HAzel 9-3161.

Fire Destroys Home Thursday

Fire of undetermined origin completely destroyed the home of Mr. and Mrs. James Gaston of Keasey route about midnight Thursday of last week. The family was all in bed and asleep when he was awakened by the crackling sound of the fire. All members of the family were gotten out but all possessions were lost.

The Gaston place is off the main Keasey road and has previously been known as the Coons place, the Kirkbride place and the Gesel place.

At present, the Gaston family, which includes a boy aged five, a girl aged four and a boy one year old, is staying with his brother, Bill Gaston on Rose avenue in the former Gilmore house. They have found a house to move to on Corey hill as soon as furniture is gotten together.

The Gastons had insurance on the house and partial insurance on the contents. It is understood they plan to rebuild.

A church group and other individuals have been assisting with getting clothing, bedding and other necessities for the family.

JVs Meet Banks Tuesday Night

A much improved Vernonia JV squad received its second defeat Tuesday evening at the hands of Banks by a score of 20-6.

The outstanding offensive players for Vernonia were Bateman, Medges and Redmond. Fine defensive play was turned in by Bateman, Medges, Haines and Blackburn.

Score by quarters:
V 6 0 0 0
B 0 0 7 13

Games remaining on the JV schedule are as follows:
Oct. 8, Clatskanie, there, 7:00
Oct. 16, open
Oct. 23, Clatskanie, here, 7:00
Oct. 29, Star of the Sea, here, 7:00

JCs Seek Quota To Get Charter

At the meeting of the Vernonia Jaycees Thursday evening of last week, two Jaycee members from Seapooose were present to give the local group additional information about how to complete organization and the goals such groups are to achieve. The guests were Dick Sanders, who headed the Seapooose club last year, and Gay Allison, new state representative.

The big problem now for the Vernonia group is obtaining a few more young men between the ages of 21 and 36 who are interested in community betterment. They must have 25 members signed before they can obtain a charter. They make an appeal for other young men who will join to contact Neil Zimmerman, president, or any other member, or come to the meeting this evening at the fire hall.

Sanders and Allison also told the group how members can work toward an honor cup or trophy and gain recognition for themselves and the club.

A movie is to be shown this evening at the fire hall at 8:00 p.m.

Your phone is a pay station when you phone in a "For Sale" ad.

A want ad is an easy way to make unwanted items go away.

BE CAREFUL WITH FIRE AND KEEP OREGON GREEN

The 10 COMMANDMENTS OF SAFETY

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of gun safety.
- 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.
- 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
- 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
- 5 Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
- 7 Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.
- 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 9 Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your backstop is adequate.
- 10 Avoid alcoholic drinks before or during shooting.
