## Wm. Wood to Head Historical Group For Coming Year; Museum Talked

The first fall meeting of the Columbia County Historical So-ciety was held in the 4-H dining room of the county fairgrounds on Tuesday, September 25. The main business of the day was the annual election of officers.

Wm. C. Wood of Clatskanie was elected president to succeed Wal-ter Carl. Mr. Wood has served sev-eral years previously. Robert S. Lindsay was elected vice-presi-dent. He also has been an active member for many years.

Mrs. Pearl Becker and Mrs. Ni-na Bush were re-elected secre-tary and treasurer, respectively. The three directors elected were Noble Dunlap of Natal, John Becker of St. Helens and Miss Ruth Thayer of Rainier.

The main work of the society at present is the setting up of the new museum at Vernonia, which is reported to be coming along as well as can be expected. This is a big project, and calls for much planning and work to get it un-der way. The local committee has been at work all summer on the project, doing much volunteer work on the building and grounds.

Various articles are being col-lected by members for exhibit at the museum and much more will be gladly accepted for this pur-pose. This will be placed as soon as all arrangements are completed.

The 1962 historical booklet which is in the process of being printed will soon be ready for dis-tribution after many delays. Or-ders have been received from many.

## Questions Noted On Registration

Judging from the number of in-quiries and the type of questions received by the County Clerks office, there is considerable mis-understanding throughout the county regarding voters registra-tion. Robert A. Welwood, county clerk, wishes to clarify some of the more common points regarding this all important function.

In order to vote a complete bal-lot in the November 6, 1962 gen-eral election, an applicant must be a citizen of the USA, must be 21 years of age by November 6, have resided in the state for six months immediately prior to No-vember 6 and be able to read and write English.

Registrations are taken anytime during office hours of the clerks office or any of his official regis-trars. Also the clerks office will be open until 8:00 p.m. on October 6, the last day registrants will qualify to vote in the November 6 election.

A voter from another county in the state, or from another state, may register in the clerk's office. A physically disabled person may be registered in his or her home.

A voter must re-register if his registration has been cancelled, if he has moved to a new precinct in the state, if his name has been changed by marriage or court or-der, or if he wishes to change his political party.

Mr. Welwood urges anyone who wishes any other information to come in to or call his office and same will be gladly furnished, and to register before the October 6 deadline.
