**COMMISSIONER**

TO THE PEOPLE OF  
 VERNONIA AND THE  
 NEHALEM VALLEY

Vernonia is no strange place to me. I worked for Clark and Wilson from the fall of 1926 until the winter of 1934, except the years I was up at Oregon State University. I worked on the survey crew, time-keeper, brakeman, and in the cutting crew. My dad worked for Clark & Wilson many many years.

I spent most of my time at Weyerhaeuser and up in Oregon. I am an ex-logger and I know what work is.

On November 6 you will again elect a commissioner. It is time for a change. Two terms are enough—Three are many.

I believe a commissioner should have the education and knowledge or knowledge to understand the regulatory functions of his job. He should have the health and the ability to perform these duties. Most of all, he should have the qualities it takes to seek the desires of the people and work for the general welfare of the WHOLE county.

I believe I can serve the citizens of Columbia County honorably, ably and impartially. Exercise your privileges—Save your opportunities. Go to the polls on November 6th.

### PEO Ritual to Be Exemplified

After a summer vacation, Chapter BS of the PEO Sisterhood opened the fall session September 25 with a meeting at the home of Mrs. Harry Sandon. Plans were made for an official visit of the state organizer, Mrs. E. R. Quinn from La Grande. The date is to be announced later.

Mrs. Sandon gave reports about Cottey College. One of the highlights of the 1962 PEO seminar held in September was the cornerstone ceremony for the Blanche Skiff Ross Memorial library under construction on the campus. Mrs. Ross, a 67 year member of PEO, is a niece of one of the founders of the organization, and has donated generously to the library fund.

The evening was concluded with a program given by Mrs. A. B. Brunzman on the "Historical Meaning of American Money" by Emmet Fox, explaining the system of national symbolism in which the number 13, for example, occurs in our history.

At the October 9 meeting with Mrs. Paul Gordon, Mrs. Sandon was in charge of the program and she gave a review of Marian Anderson's story of her life, "My Lord, What a Morning."

Discussion was heard regarding a BIL party and a committee was asked to make plans and set a date.

The next meeting on October 23 will be held at the home of Mrs. Owen East with exemplification of the ritual scheduled.
