## Commissioner

I am an ex logger and a dairyman. I know what work is and what taxes are.

I worked at Clark and Wilson from the fall of 1926 till the winter of 1934, except for the years I was at Oregon State University. My dad worked at Clark and Wilson many years, too, and later ran a Watkins' route in the Nehalem Valley. I later went over to Weyerhaeuser Timber Co. and up in Oregon. I have worked in the survey crews as a time-keeper, brakeman, on the rigging and in the cutting crews. I have over 10 years experience as a woods foreman and superintendent. I worked over 4 years as a county road supervisor.

I have always been active in community affairs. I have served on several state boards and on several state committees. I served on the church board, school board and was a 4-H leader for 10 years.

I am not always right, but I will always fight for the things I think are right as long as I believe they are right.

Now comes the time to elect another commissioner.

It is time for a change. Two terms are plenty—three are many. I know that I can serve the citizens of Columbia County honorably, ably, and impartially and I will try to seek the desires of the people and work for the general welfare of the whole county.
