DAVID STEVELY

National Trip Won for Effort

David Stevely, the son of Robert H. Stevely of Warren, has been in 4-H club work for nine years. He won his trip to National 4-H Club Congress for his project work in rabbits.

Although his main project work is rabbits, he has completed such projects as sheep, entomology I and II, dairy, poultry, marketing, and horse. David attended the Oregon 4-H club conference in Salem last February as one of the delegates from Columbia county where he learned about state government functions and procedures.

He has won many honors in 4-H work, especially in his rabbit project. He has been junior and senior champion rabbit showman at the Oregon state fair as well as grand champion showman for rabbits at the Pacific International Livestock Exposition for two years.

In beef and livestock judging, David has been to the Oregon Wheat League judging contest held at The Dalles, Oregon state fair, and placed ninth in an interstate judging contest on Sauvie Island several years ago.

Very active in school, David belongs to student council, art club, science club, and honor society at Scappoose high school where he is a senior. He plans to go on to college and major in foreign languages.

Legion Head Deplores Hiss

Oregon American Legion Department Commander Al Friesen, Salem, today deplored the "underwriting of a platform for Alger Hiss whose revealed actions represent a pathetic and reprehensible reversal of the dedication and loyalty which has made our country a bulwark for freedom."

"According to this questionable citizen the dignity and indirect approval of his opinions by according him access to the minds of millions of Americans—and listening world—is an affront to the men who served in our armed forces to preserve this nation."

"We resent the uplifting of the likes of Hiss, especially while this nation is engaged in commemorating the veterans of wars fought at a terrible price to overcome beliefs designed to thwart the dignity of man."

"There is no way of knowing the price this nation pays today for the actions of Alger Hiss yesterday. The least we can do now is prevent Hiss from having another day at our expense," Friesen said.

The Oregon Legionaire made his statement following the televised appearance of Alger Hiss on a program entitled, "The Political Obituary of Richard M. Nixon" which was presented by ABC in New York for network distribution.

"We are not interested in protecting the political fortunes of Mr. Nixon," Friesen said, "but we are determinedly interested in preserving the freedoms of this nation and resent this blatant display of irresponsibility which can only give comfort to our enemies and serve to erode our freedoms," Friesen concluded.

Please advise us of your new address if you are planning to move.
