INTRODUCING . . .

CREAD MORGAN, new manager of Dean's, who has taken over supervision of the Vernonia store, came here from Newberg where he had been assistant manager for nine months. Prior to that time, Cread had worked as assistant manager for the Dean McKay store at Salem and in the retail grocery business in the Eugene, Springfield and Cottage Grove area for a total of about five years. During the time he was at Salem he attended a retail grocery training school, preparatory to his job as manager. His family includes his wife, Linda, and three daughters, Laura, 6, who will start school next week, Melody, 4, and Susan, 1½. The family is looking forward to becoming widely acquainted in the community and he to the time when he can try his luck with a fishing rod.
