CARD OF THANKS

WE WISH to take this means to express our very special thanks to each individual who rendered such prompt, intelligent help at the time of the tractor accident September 26th. We cannot name any one without leaving out someone, and so we thank God for each of you for the contribution you made at the time; for the prayers, cards, notes, calls and visits since and offers of help in so many ways. We were especially touched by the cards from each of Mrs. Christianson's 2nd grade class. We owe each one of you more than we can repay in this life. God Bless You all.
