

Pastor Called To New Field

The Reverend Mrs. A. W. Wilson, pastor at the Nazarene church for the past several years, has accepted a call to a rural church near Adah, Oklahoma and she and her husband are preparing to move there as soon as possible to avoid travel hazards of winter weather.

Mrs. Wilson stated this week that the church is in the area where she and her husband started their ministry about 50 years ago. She has been acquainted with the district superintendent there for many years and saw him this past June at the Nazarene church general assembly held in Portland at the Memorial coliseum.

She has also stated that the call to this church is a promotion for her and she appreciated the willingness of the local church to release her at once to accept the offer there.

LAWRENCE MEISSNER will stay to the end of each session. He will not leave days earlier as the democrat candidate has done. The last week of ten sees more laws passed than any other week.

Injuries Received In Sunday Accident

TIMBER—Sunday, October 11, four miles west of Vernonia - Timber junction there was an accident in which Richard Shaw was a victim. He had pulled off the road to allow a string of cars to pass. The sun was very bright and as he pulled onto the road again to make his turn he did not see the on-coming car which was white. The front fender and a light on the one car was damaged and the Shaw car was demolished. It had rolled, coming to rest on its top. Shaw had difficulty getting a door open to get out. One knee was injured and a wrist was cut where a wrist watch was torn off. Later the watch was found by the car and the twisted metal band was found in the rear seat. The top above his seat was crushed almost level with the steering wheel. The occupant of the other car, a lady, was cut and bruised about the head and face. All were taken by ambulance to Forest Grove where they were treated and released. Since then, Shaw has been confined to his home recovering from shock.

Allan May of Seattle spent the week end at the home of his father, Roy May.

POETRY

Ode and Tribute to the Vernonia Hills

On the hills of Old Vernonia,
As you all may see,
A touch of Autumn Splendor,
On every maple tree.
The autumn leaves are turning
Orange, gold and red,
Below the river's flowing,
And all the birds have fled.
A peaceful autumn silence,
Rests upon the hill.
The twilight's gently falling
Over rock and rill.
On the hills of Old Vernonia,
As you all may see,
A touch of Autumn Beauty
On every maple tree.

Medicare Tax? No

Health Care for the Elderly? Yes

Let's look at the facts about the
proposed Medicare Tax...and a medical care program
for the aged that already exists!

What's the hurry here? The supporters of the proposed Medicare Tax would have you believe that passage of this controversial bill is urgent... that persons over 65 are deprived of needed medical care because they can't pay for it.

Nothing could be further from the truth. The Kerr-Mills Law, passed by Congress in 1960—and other state and local programs—enable individual states to guarantee to every elderly person who needs help the health care he or she requires.

We call this health program... Health Opportunity Program for the Elderly. Thousands of people every day are being helped by its generous benefits. And, unlike Medicare, which would substantially increase your Social Security Tax payroll deductions, this Health Program is already being paid for by a part of your present tax dollar!

Medicare Tax? No. Health Care for the Elderly? Yes! For more information on this program, ask your doctor or call the number listed below.
