

Agent Suggests Care Now for Gladioli

Now as gladioli foliage starts to show yellowing is the time to carefully lift the plants, says Columbia County Agent Tom Zinn. They dry rapidly outside in strong sunshine, or the tops may be clipped off about an inch from the corm and placed in shallow trays and taken inside to dry. Give them good air circulation with warm air up to around 90 degrees. They keep better if dried quickly. When dry, remove old corm and clean. New corms and cormels can be stored when dry in shallow trays giving them a cool, dry location.

If any signs of insects appear, dust with DDT. If any fungus is noted, dust with Captan, Ferbam or any good fungicidal material, Zinn points out. Remove badly damaged corms.

Slogan Writing Awards Offered

Four \$500 college scholarships and 20 Schwinn bicycles — both 10-speed and Sting-Ray varieties — are being offered as prizes in a current slogan-writing competition sponsored by Mayflower Farms.

The Portland-based dairy firm is inviting contestants to write advertising slogans of 10 words or less. Instructions are printed on side panels of special Mayflower Farms fresh milk cartons which will be in use until the contest closes. Deadline for entries is midnight, November 14.

Entries will be judged on originality, sincerity and aptness of thought, according to E. C. Wyss, Mayflower Farms general manager. Scholarships will be held in trust by the First National Bank of Oregon.

Deadline Near On NROTC Exam

High school seniors and graduates have only until November 20 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on December 12 as the first step toward an appointment as midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at one of the 52 civilian colleges which have an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives a retainer of \$50.00 per month for not more than four years.

During the summers the student goes on interesting training cruises to many parts of the world. After completing a four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer in the Naval Service. He receives the same promotional opportunities, duty assignments and benefits as Naval Academy graduates.

High school seniors and graduates who will be at least 17 but not 21 years of age on June 30, 1965 may apply for the Navy College aptitude test. Those who make a qualifying score will be given a thorough physical examination in January and February, 1965. From the number of qualified young men remaining in competition, approximately 2,000 will be selected to begin their naval careers in college next September.

Savings Bond Sales Given by Chairman

"Sales of United States Series E and H Savings Bonds in the state of Oregon amounted to \$2,236,582 for the month of September, County Savings Bonds Committee Chairman Phil Hickey announced recently. For the first nine months of 1964, Savings Bonds sales in the state amounted to \$25,426,094. "Sales in Columbia county last month totaled \$24,207", he stated.

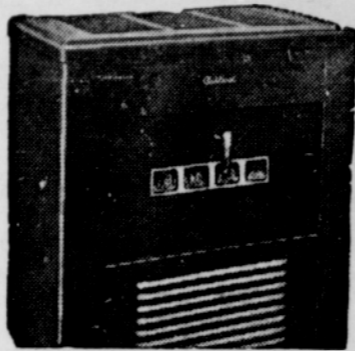

"September saw another national record set when public holdings of Savings Bonds passed the \$48 billion mark for the first time since Savings Bonds were introduced in 1941," the chairman reported.

RETAIN DAVE WILLIAMSON DISTRICT ATTORNEY

His office has saved you thousands of dollars by fairly enforcing child support obligations, thereby reducing your welfare costs.

His office has attended to criminal matters fairly, impartially and without delay, avoiding unnecessary time in jail to persons accused of crimes, and saving the taxpayers the cost of boarding prisoners.

His office has litigated or settled claims of the County involving thousands of dollars, thereby rightfully obtaining or preserving for the taxpayers of the County this revenue and property.

His record and experience deserve your vote on November 3rd.

STATEMENT OF COLUMBIA COUNTY DEMOCRATIC CENTRAL COMMITTEE

The Columbia County Democratic Central Committee takes pride in serving as the party organization for the most Democratic county in Oregon. As the elected representative of your precincts, we pledge ourselves to support the policies of the party and to work for the election of candidates pledged to support those ideals.

The Democratic party is dedicated to serving people. It has been the leading party in sponsoring and passing effective reform legislation which has improved the social and economic structure of our nation. The Democratic party realizes that in these complicated days the future of our country will be best served by looking to the future rather than reminiscing about the past.

The Democratic party of Columbia County is proud of its national and state candidates — Lyndon B. Johnson, President; and his running mate; R. Blaine Whipple, Representative in Congress; Alfred H. Corbett, Secretary of State; Robert Y. Thornton, Attorney General; Robert W. Straub, State Treasurer — however, we are equally proud of our local candidates, whose work is vital and affects the lives of everyone in the county. We urge you to support by voice and elect by vote:

- WAYNE TURNER — State Representative, Labor Endorsed
- EARL SEAWRIGHT — County Judge, Labor Endorsed
- DON KALBERER — District Attorney
- LOUISE JOHNSON — County Treasurer, Labor Endorsed
- ORRIE CLARK — County Commissioner

These candidates are dedicated to serving the needs of our people, and they will be responsive to the needs and the will of our community.
