## LAWRENCE MEISSNER

believes FEDERAL AID to each state should be prompt return of one-fourth of all income tax paid by that state's taxpayers for that state to spend.  
LESS UNEMPLOYMENT in Oregon if we handle our own money. Now we support bureaucrats in Washington and elsewhere to handle it inefficiently for us.  
NO FEDERAL GAS TAX. Then we won't have to pay for the gift back east.

## ATTENTION VOTERS

This is just an announcement to our Democratic and Republican supporters that the incumbent county judge plans to use his usual last minute letter from himself or someone else to double-talk you into supporting him. Don't be misled this time. His opponent has been investigated by the FBI and CID for a "top-secret" clearance in the U. S. Air Force and there is nothing derogatory in his record. In fact, you will find it is a superior record.

The incumbent county judge is using an old law authorizing him to get mailing lists at public expense just to write you the letter. No one else is using this authorized law, so why should you pay for his political ambitions. The public also helped pay for his letters in the primary by use of county employees while on the job.

Pd. Adv., Democratic Central Committee  
Franciene Urban, Chairman, Scappoose, Ore.
