Service Established

Mrs. Frank Hays announced this week that she now has office space at the Quinn Insurance Agency and is establishing a public stenographer service. Persons interested in such a service may contact her there.

In the experience background for Mrs. Hays is included work in the Oregon-American mill office as a secretary.

Veterans Day Due

Next Wednesday, November 11, is Veterans Day and will be a school, bank, post office and legal holiday. However, most businesses remain open, since that is the procedure followed in surrounding cities.

Goodwill Sets Collection Date

The Goodwill truck will be in Vernonia Wednesday, November 18 to pick up Scout good turn bags and other items and this will be the last call made here until after the first of the year.

Especially needed at this time are repairable toys, or even toys from which parts can be used in repairing others. These are needed now to be prepared for the Christmas season.

Clothing, household items, furniture are always needed and persons having items to donate may call Mrs. Frank Lange, Hazel 9-3161 and she will have the truck call at their homes.

Grades Work On Education Week Theme

Activities of the elementary school next week will center around American Education week. The theme this year is education pays dividends, with daily themes emphasizing these points as follows:

Sunday: "In Better Human Relationships" (All persons are urged to attend the church of their choice); Monday: "In Improved Learning Power"; Tuesday, "In Personal Fulfillment"; Wednesday, "In Good Citizenship"; Thursday, "In National Economic Growth"; Friday, "In Better Communities"; Saturday, "In International Relationships."

The need for a good educational program has been stressed lately in many articles one of which pointed out that the difference in the average earning power of an eighth grade graduate and a college graduate was a quarter of a million dollars in a life time. The difference between the average earnings of an eighth grade graduate and a high school graduate was over \$70,000 in a lifetime.

Special feature of this year's observance of Education Week in the local schools will be posters on the theme as prepared by the students in the sixth grade class. Mothers of Mrs. Steen's fourth grade room will visit the lunch room to have lunch with their sons and daughters on Tuesday. Wednesday there is no school since Veterans Day is a legal school holiday. A special assembly featuring the band and chorus will be held Friday afternoon.

A cordial invitation is being sent to each parent to visit school when it is possible, either during Education Week or at any other time.

Friday Game Won by Gulls

The Vernonia Loggers grid efforts suffered a setback Friday night when this team was host to the Seaside Seagulls in the next to last game of the year's schedule.

Apparently well fired up, the Loggers scored two TDs in the opening minutes of the first frame. However, the Loggers scored too, when they crossed the Gull's goal line in the first period on a pass from Bellingham to Larson for 17 yards.

Again in the second quarter Bellingham's 43-yard pass to Steele brought the Vernonia aggregation their second tally. By the end of the first half, Seaside had scored three more time and the count stood at 30-12. Final count for the evening listed another TD for Seaside and the score of 36-12.

Vernonia's total offensive gain was 223, 95 yards rushing and 128 passing. On offense the Loggers appeared fairly good, but fell down on defense.

Coach Bob Wendel is placing heavy emphasis on blocking and tackling this week in preparation for the last game of the year Friday night here with Concordia. The visitors hold a 4-4 record as compared with the Loggers' 3-3-2.

An event for half time Friday will be the finals in the punt and pass contest for which semi-finals were held last week end. To compete in this event will be: Benny Fields, Steven Landers and Danny Elton, 11 years; Dave Von Heeder, Paul Nelson and Don King, 12 years; and Chris Smith, Fay Russell and Gary Davis, 13 years.

Alumni Teams Slate Contest

Vernonia high school alumni will tangle with Clatskanie high school alumni Sunday at 2 p.m. in a football game on the Clatskanie field which is a benefit, with funds to be divided between the two schools, according to Robert Wendel, high school coach. He stated that the Vernonia alumni team would include Leonard Schmidlin, Jim Mullins and Fred Mangat, members of the classes of 1961 and 1962.

MISS Christine King, daughter of Mr. and Mrs. Earl King, was crowned as Homecoming Queen last Thursday evening at a ceremony held at the high school prior to the rally. Runners up were Betty Jo Aldrich, left, and Janet Bruce, at right. Their escorts, from left, were Charles Robertson, Raymond Hartzell and Mark Medges who were the GAA candidates for king. Charles Robertson was crowned at the homecoming dance which followed the game.

City Changes Street Name

Only two persons appeared at the public hearing Monday evening concerning the change of name for the portion of highway 47 which runs through Riverview. Both favored the change from Pomona Drive to Mist Drive. There were no objections raised to the change, which previous-

ly had been asked by petition from people in the area, and the council, during the meeting which followed the hearing, approved the change which will make official the name of Mist Drive.

J. W. Acaiturri, superintendent of schools, was present to urge the hiring of a full time day police officer. The council gave information that such a move is being seriously considered but present finances are not sufficient to warrant it.

Sebastian Klein, a recent new resident of Keasey route who has had police experience, made application for part time police work. His employment for a few hours at odd times was considered and the pay scale set at \$2.00 per hour, without stipulation of number of hours or particular time of day. Police Chief A. D. Lolley was asked to check Klein's qualifications and a decision will be reached later.

Effort of Club Nets Over \$200

The Vernonia Lions club met Monday evening, November 2, in the fire hall. Vice-president Charley Hickman presided in the absence of President Robert Sargent.

Featured speaker of the evening was District Governor Jaded Johnson of McMinnville who spoke on the topic: "The International Spirit of Lionism." Other guests were Dane Brady and Ray Peterson.

Business of the club included reports from the annual hotcake feed in which it was reported that over \$200 was netted. The club approved an expenditure of \$150 to provide a roof for the dressing rooms at the city park and pool. Upon completion the dressing rooms will provide a place for bathers to change at the pool during the summer. This is an addition to the swimming pool that has been needed for many years for both local bathers and out-of-town guests.

UGN Fund Now Totals \$417

The volunteer workers for the United Good Neighbor campaign have turned in a total of \$417.00 to date. This is approximately one third of the quota for the Vernonia area, according to Mrs. R. M. King, chairman of the local drive.

Mrs. King stated that with a united effort the local goal of \$1200 can be reached and she urges those persons not already contacted to make donations as soon as possible.

Checks made out to the United Good Neighbors may be mailed to Mrs. R. M. King, Mist route, Vernonia. Cash donations to the fund may be made by calling Mrs. King at Hazel 9-5701 or Mrs. David Banta, Hazel 9-5275, co-chairman of the drive, who will pick them up.

Youth Rally to Banquet Soon

A reminder was issued this week for the November Christian Youth rally which will be a banquet November 21 at the EUB church dining room at 6:30 p.m.

Speaker for the occasion will be Jerry Johnson from radio station KPDK in Portland.

Tickets are now on sale by young people in each of the churches and those from age 12 through college are eligible to attend. Tickets must be purchased by November 17 as none will be sold after that date or at the door. The pre-sale is necessary so that the number to be served can be determined.

ROBERT FUQUAY, member of Vernonia high school FFA chapter, holds two trophies won at annual speech contest sponsored by Clatskanie Soil Conservation district September 28. Contest was held at Natal Grange hall and his competition included two high school girls who entered from Clatskanie. Trophy at left was presented by the district and is his to keep. Crown Zellerbach presented revolving trophy on right which will be on display at school this year. He will compete in a district speech contest at Hillsboro this Thursday.
