Various plans for Christmas sales promotions also were discussed. Other members of the committee are Lloyd Quinn, Doris Skidmore and Stona Serafin.

This past summer the property on Texas avenue was purchased and Crown Construction company framed the building to the roof. From there volunteer workers took over.

Each weekend a flurry of activity was noted. The first weekend the select shakes purchased locally went on the roof. From there things progresed rapidly as skilled craftsmen from neighboring congregations came in to help the local volunteers.

Cement finishers installed the sidewalks, the used brick front went on, the sheetrock was taped and finished, plumbing installed, hardwood floors layed and finished, tile entries and planter installed, the gas furnace and the carpet for the stage was installed professionally. Fisher's Electric did the electrical work. Everything else was handled by the Witnesses

The women of the congregation had their share too. They provided a good hot meal for the workers each Saturday and Sunday.

Ralph Bergerson, master of the Vernonia Masonic lodge, introduced the very interesting speaker, Kenneh Shumaker, who belongs to Masonic Research Lodge and taught at the U of O. His talk, "Education pays Dividends", was very informa-

He told how many, many years ago formal education was only for the very wealthy and only in 1215 when the Magna Carta was signed was there any thought of education for the common people. He said that even today in some places in Europe and elsewhere the fourth grade stu-

dents are given tests and only the top 20 percent are allowed to go on to high school and of these only the top 10 percent are allowed to go to the university. He said that the United States is the only country that has free education for the 6-18 age group and stated that the Free Masons were instrumental in bringing about free schooling in this country, starting back in colonial times to further this cause.

He traced the progress of education in this country and touched on present needs for both the gifted child and those of lesser ability.

One of his parting remarks was, "An idea is one thing you can give away and still keep and it becomes more valuable because you gave it
