

# Chamber Plans Sponsorship of Holiday Lighting

Mrs. Launee Cousins, chairman of the annual holiday lighting contest sponsored by the Vernonia Chamber of Commerce, stated at the board meeting Monday evening that the same rules as given last year will be followed to determine the winners.

The rules are as follows:  
1. Purpose—"to stimulate participation by all residents in an over-all effort to bring a spirit of warmth, brightness and friendliness to our city of Vernonia during the holiday season."

2. Contest will begin December 5 and end December 18.

3. Winners will be selected on the basis of artistic merit, originality, lighting techniques and ingenuity. Judging will be limited to outside residential displays only.

4. Boundaries for contest will extend from Pittsburg on north to timber route junction with Sunset highway on south.

5. No display will be considered eligible for prize unless it is registered. There will be no charge for registration. Purpose of registering is to insure that all those wishing to be judged by categories will receive a fair evaluation. Without registration it is possible that some houses could be missed—this the committee wishes to avoid.

6. Registration coupons will appear in this paper next week. These coupons may be mailed to the Vernonia Eagle or to Mrs. Launee Cousins, Mist Rd., Vernonia. Entries may also be made by post card sent to above. Entries must include name of contestant, address and category in which entry is made. Entries will be accepted until 5:00 p.m. on December 18. Judging of entries will begin at 7:00 p.m. the evening of December 18.

7. There will be three categories in which prizes will be awarded for residential displays. Religious, which will include Nativity scenes, etc.; illumination, which will be displays made mostly with lights; and Santa Claus, which will include decorating done in the Santa theme.

8. There will be a first, second and third prize in each category, plus a sweepstakes award.

9. First, second and third prizes will also be given to commercial entries who may decorate in any manner they wish. Commercial entries will be limited to those businesses who pay an occupational license in the city.

Judges will be selected from out of town.

The committee urges everyone to decorate their homes whether they enter the contest or not in order to add to the attractiveness of the community during the holiday season. Placing decorations as early as possible also is urged since other communities have decorations in place now.

Information is that the Lions club and others assisting them with placing decorations in the downtown area will be doing that December 5 to set the tone for the holiday season.

## Area UGN Drive Goal Near Now

Mrs. R. M. King and Mrs. D. Banta, co-chairmen for the United Good Neighbor drive in this area, report that totals are climbing and that incompletes figures this week indicate that it has reached well over 90 percent of the goal of \$1200 set for this area.

The drive will close at the end of November after which a complete report of funds and organizations donating will be given. It is hoped that by that time the area will go over the goal so as to leave a substantial amount in the local emergency fund.

The co-chairmen urge all who may have been missed in the solicitation and who wish to contribute to contact either of them now.

## Many Seniors Of May Class Take Training

It is always interesting to know what paths members of each high school graduating class follow and it has been the custom each fall to give information concerning them when information could be assembled.

Of the 31 students who graduated at Vernonia high school last May, 14 have enrolled in some type of training beyond high school. This includes colleges, universities and trade schools. This makes a very good record for the class.

Those now in other schools include Betty Armstrong, Willamette University, Salem; Martha Bush, Southern Oregon College, Ashland; Edward Kambholz, Clark College, Vancouver; Phillip Meyer, Clatsop College, Astoria; Lea Ann Ramsey, Cascade College, Portland; Patricia Rundle, University of Montana; Karen Russell, Northwest Nazarene College, Idaho; Jean Sargent, Minnesota Bible School, Minneapolis; Kathy Barker Martha Mangat and Carol Chandler, Beaverton Business School; Delbert Bush, McKenzie's Auto Body and Fender School; Ruth Hugley, Medical Secretarial and Assistants School; and Walter Hascall who has enrolled in the job opportunity training program at Southwestern Oregon College, Coos Bay.

Three boys have entered the service. They are Jerome Haines, US air force; Dale Hill, US navy and Donald Robertson, US air force.

Most of the others have employment. Nicholas Berg is busy running the family ranch at Birkenfeld. Henry Bodenhamer is employed by Crown Zellerbach. Bert Snyder works for Art Ostrander and Darwin Welch is at Deans Market.

Others who have gone afield for jobs include Helen Ekhoff who is with the Pacific Northwest Bell Telephone company in Portland; Duane Justice, Oregon Primate Center, Beaverton; James Lucore, Dick's Concrete Works, Portland; Jeannie Mason, Rogers Organ company, Forest Grove; Richard Weaver, Kysers-Gypsum, St. Helens and Louis Violette, Timber Structures, Portland. ## School Seeks A-2 Transfer

The Oregon School Activities Association is expected to take formal action this week end on the formal transfer of Scappoose Union high school from the A-1 Wilco league to the A-2 Cowapa league.

Schools in the Cowapa league now include Hood River, Concordia, Vernonia, North Catholic, Rainier, Warrenton, Clatskanie, Seaside, Neah-Kah-Nie and Banks. The average ex-GI with an Oregon veterans' farm and home loan paid a property tax of \$306 this year, a 10 percent increase over the \$278 he paid last year and 15 percent above his 1962 payment of \$265.

This figure was reported by H. C. Saalfeld, director of the state department of veterans' affairs, which paid \$8,771,394 in 1964-65 taxes this month on the properties of 28,629 World War II and Korean veterans who have state loans. Last year's tax payment was \$7,497,258 on 26,968 properties.

In Columbia county, the tax on 334 properties was 98,206.25. The average tax here was \$294, compared to the statewide average of \$306.

The borrower pays his taxes monthly to the state veterans' department along with his loan repayment. The department in turn pays the tax collector, and does it before November 15 to earn the veteran a three percent discount. The discount this year saved the veteran \$271,000.
