Athletic Fund Balance Noted

Figures tabulated at the end of the football season at Vernonia high school shows a balance in the treasury, even after a deficit incurred during the 1963 season was retired.

Gate receipts during the 1964 season amounted to \$1406.85. Season passes accounted for \$40 and prorated student body dues contributed \$350 to make the total receipts \$1796.85.

Expenses included the following items: Officials and mileage, \$267.50; team travel and meals, \$291.32; supplies and equipment, \$814.43 and miscellaneous which included league expenses, travel, dinners, dues, gymnasium and field light work, \$170.90. This makes a total expense of \$1544.15.

Subtracting the total expense of \$1544.15 from the total receipts of \$1796.85 left a balance of \$252.70 for the 1964 year. From this, the 1963 deficit of \$161.37 was paid to leave a net balance of \$91.33 in the school athletic fund.
