**Unit Prepares Fairview Gifts**

The Vernonia Extension Unit held its Christmas meeting December 10 at the West Oregon building. After a short business meeting the members enjoyed a pot-luck luncheon. The afternoon was spent visiting and making candy corsages for decorations on the gifts which had been brought for Fairview Home. Instead of a gift exchange among the members, a silent auction was held with the ladies bidding on articles they wanted.

The January project is a lesson "When Death Comes", which should be of interest to everyone. Arrangements are being made to visit the Fuiten-Friesen Mortuary in Forest Grove that day. Date of this meeting will be January 21.

The meeting closed with the singing of Christmas carols.

## Corrigan Rite Held Tuesday

Tom Corrigan, 85-year-old resident of Vernonia for the past 32 years, died at his home at 541 Third street Saturday morning following an illness of the past 14 months.

Funeral services were conducted Tuesday, December 15, at 1:00 p.m. at the Riverview Abbey in Portland. Rev. Livingston, Episcopalian minister from Portland officiated at the services with arrangements entrusted to the Fuiten-Friesen mortuary, Vernonia.

Mr. Corrigan was a native of County Roscommon, Ireland where he was born February 3, 1879. He spent his early life there and as a young man of 26 came to the United States. He lived a short time in Chicago and then, for a number of years, lived in various parts of Canada.

He came to Oregon in 1919 and lived first in Portland. Since 1932 he had made his home in Vernonia. He spent most of his life following the carpenters trade and worked in Vernonia as a carpenter for the Oregon American Lumber company until his retirement.

In his earlier years, he had been an avid outdoor sportsman and had especially enjoyed fishing, hunting and golf. He also enjoyed playing pinocle.

Mr. Corrigan was married December 18, 1938 at Vancouver, Washington to Effie Halley who survives. Other survivors include two brothers, John Corrigan of Ireland and Michael of Gary, Indiana, and a niece, Mrs. Molly Sizer of Portland.

## Town of Orange Hosts OSU Band

Orange, California has "adopted" the 110 students who make up the Oregon State University marching band for the week prior to the January 1 Rose Bowl game between OSU and University of Michigan.

The OSU band had been scheduled to fly to Pasadena just the day before the New Year's Day game.

But Charles Anderson, father of one of the OSU band members and the band director for Orange high school, changed that. He arranged for families of Orange high school band members to host the Oregon State musicians beginning December 26. The families will provide housing and breakfast.

The all-day practice sessions the band has scheduled in preparation for the Rose Bowl parade and game appearances will be held on the Orange high school football field. It is located just minutes away from the Rose Bowl and scenic attractions such as Disneyland.

Orange, incidentally, is OSU's school color. Andresen's son, Paul, is a freshman in the School of Engineering at Oregon State.

Band members will stay the night of January 1 in residence halls on the campus of University of California at Los Angeles and will have January 2 for sight-seeing before flying back to Corvallis that night.

Local students who are members of the OSU band include Brian Hanula.
