## Rory Workman 1965 Homemaker

Rory L. Workman, daughter of Mr. and Mrs. Walter Workman of Timber Route, is the 1965 Betty Crocker Homemaker of Tomorrow for Vernonia high school. She scored highest in a written homemaking examination taken by senior girls December 1, and is now eligible for state and national honors.

Miss Phyllis Williams is her home ec teacher at Vernonia high school.

Test papers of all school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking girl will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, with the state runner-up to be awarded a \$500 educational grant. In addition, the school of the State Homemaker of Tomorrow will receive a complete set of the Encyclopedia Britannica from Encyclopedia Britannica, Inc.

Later this spring the State Homemaker of Tomorrow, together with a school advisor, will join first-place winners and advisors from each of the 50 other states and the District of Columbia in a tour of Colonial Williamsburg, Va., Washington, D.C., and New York City. Climax of the week-long tour will be the naming of the Betty Crocker All-American Homemaker of Tomorrow. To be chosen on the basis of original test score and personal observation and interviews during the tour, she will receive an increase in her scholarship to \$5,000. Second-, third-, and fourth-place winners in the nation will have their grants raised to \$4,000, \$3,000 and \$2,000, respectively.

The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills in 1954 to emphasize the importance of homemaking as a career. Including this year's record enrollment of more than half a million senior girls in more than 14,000 high schools, the total number of participants during the program's 11-year history stands at four million. Scholarship grants exceed \$1 million.
