Aldridge Rites Held Tuesday

Funeral services were held here Tuesday morning at the First Christian church for Mrs. Vera Aldridge, granddaughter of early valley pioneers, who passed away early Saturday morning at Milwaukie following an extended illness.

Mrs. Aldridge was the daughter of Mr. and Mrs. William Wood and was born on their homestead on Stoney Point road, now the Ben Fowler place, December 14, 1894. Her maternal grandparents, Mr. and Mrs. Saul Sheeley, had come to this area in 1874 with the first settlers in this part of the valley, and her father homesteaded here shortly after that.

She attended local schools and Oscar Weed recalled this week that in 1911, the first year that the Vernonia schools had more than one teacher, he taught for two months at the opening of school until the man hired for the position of principal arrived and she was one of his pupils.

She lived most of her life in this area and where-ever her home was it was distinguished by the profusion of flowers with which she had an unusual "green thumb" knack.

She is survived by two sons, Elmo Ira Aldridge of Eugene and Iral R. Aldridge of Milwaukie and four grandchildren. There also is a stepson, step-grandchildren and step-great-grandchildren. Also, among survivors are four sisters, Mrs. Lida Mills, Mrs. Doris Hillsbery and Mrs. Gaynelle Reed, all of Vernonia, and Mrs. Shirley Neilson of Portland and a brother, Newell Wood of Vernonia. Many nieces, nephews and cousins also reside in this area.

The services at 11 a.m. Tuesday

were conducted by Rev. Herbert Read of the Milwaukie Church of Christ. Vault interment was at the Vernonia Memorial cemetery. The Peake Funeral Home at Milwaukie was in charge of arrangements.

Skeans Given Forestry Job

Everett Skeans, Rainier, was elected chairman of the Columbia county Farm Forestry committee last Friday, succeeding Elmer Loyd, Deer Island, who has served as chairman for the past four years. Loyd was elected to the vice-chairman position. Don Coin Walrod, county extension agent, serves as secretary.

Committee members set dates for the tenth annual forestry field day for all seventh grade students of the county at their quarterly meeting, considered management factors for timber on Camp Wilkerson, and made tentative arrangements for a public tour to the Tillamook experimental forest area early in March.

Golf Club Year Gets Underway

The first monthly meeting of the Vernonia Men's Golf association was called February 2 at the Vernonia clubhouse by Richard D. Fletcher, president.

The program dates for the 1965 events are being outlined. These events include a spring handicap tournament, home and home match tournaments with St. Helens and Seaside, ladies day picnic, Tuesday evening plays and fall championship flights.

The following committee chairmen were named:

Tournament, Horace Hertel; ladder board, Loel Roberts; handicaps, Wayne Thomas; club championship,

Robert Sargent; ladies day, William E. Nelson; Tuesday night, Richard Fletcher; spring handicap, Wayne Thomas; publicity, Ralph Bergerson.

A golf movie in color was shown to the group on a match played by Jay Herbert and Friedel Schmaderer at Hamburg Golf club, Falkenstein, Germany. A golf movie will be shown on the first Tuesday of each month with the next one March 2.

The golf course is in very fine shape and 1965 should be a big golf year for the members of the VMGA. Any sportsman who wishes a challenge with a small white ball on a green carpet with a flagged hole is welcomed to attend the monthly meetings and share in the sport of golf, according to Ralph Bergerson, publicity chairman.

Neither happiness or pain lasts forever.
