West Coast Co. Asks Decision

West Coast Telephone Co., a subsidiary of General Telephone Co., New York, has filed an application with the state public utility commissioner asking that it be named the sole telephone utility in the areas it presently exclusively serves in Oregon. The application also asks for approval of contracts establishing boundaries between West Coast and a number of other telephone utilities.

The Oregon areas now exclusively served by West Coast are: Coos Bay, Beaverton, Forest Grove, Gresham, Clatskanie, McMinnville and La Grande-Enterprise.

The boundary establishing contracts are with Pacific Northwest Bell Telephone Co. and Sunnyside Telephone Co. and concern pockets of territory in the Hillsboro, Oswego, Tigard, Stafford, Fairview and Boring areas.

West Coast has about 96,000 customers in Oregon and did about \$9,000,000 worth of business here in 1960.

The application was filed under the terms of a utility area certification law passed by the 1961 legislature as a means of putting an end to the unnecessary duplication of expensive facilities by competing electric, telephone and gas utilities.

Historical Society Given Bell Used in Schools 100 Years Ago

The Columbia County Historical Society met in the 4-H dining room on the county fairgrounds Wednesday, February 24, with a good attendance. After the noon meal, the meeting was called to order by the president, Wm. C. Wood, and the regular order of business was taken care of.

A bell used in schools over one hundred years ago by Mrs. Anna Perkins' grandfather and later by her mother was brought to the meeting by the secretary, Mrs. Pearl Becker, and sent to the museum at Vernonia. Mrs. Perkins has donated the bell,

along with other historical records to the museum. Also, articles donated by Harriet Davidson and once belonging to her mother, Mrs. LeBarre, were received.

Mrs. Ervin Abraham told of a visit to the Welter home at Goble and of the many interesting Indian relics seen. Faye Confer, daughter of J. N. Rice, told of her father's many years of activity in this county. He is now in a nursing home at Gresham and will be 100 years of age soon.

Old roads and early settlers of the Nehalem valley were discussed by Mr. and Mrs. Ira Petersen and others. They are pioneers of the valley, but now live at Warren.

Mr. and Mrs. E. G. Hislop, curators of the museum, report fairly good crowds at the museum on weekends, with business expected to look up when spring comes. Since the district homemakers meeting for the four northwest counties is scheduled to be held in Vernonia on Monday, April 26, when the museum is usually closed, arrangements are being made to have it open that afternoon so visitors from the other counties may see the exhibits.

Since volume 4 of the Columbia Co. Historical booklet will soon be ready to print, and quite a number of Books No. 2 and 3 are still unsold, it was voted to sell them for 75 cents each to make room for the next issue. Copies may be bought from Mrs. Pearl Becker, St. Helens; Wm. C. Wood, Clatskanie; Western Farmers Co-op of St. Helens and the museum, Vernonia.

The next meeting is scheduled for March 24 in the 4-H dining room on the fairgrounds.
