

Rebekahs Honor Grace Currie

Mt. Heart Rebekah Lodge met Thursday evening of last week with slightly better attendance, but many members were reported ill or to have illness in their homes.

Among business items decided were a contribution to the foreign exchange student fund and the joint sponsorship of a page in the Memorial with the American Legion auxiliary in the interests of the Girls State program.

A report from the social committee showed a small attendance at it, also. The next meeting is set for November 2, the first Tuesday in the month, at the home of Mrs. Sallee Brown at 8:00 p.m. It was emphasized that all lodge members are members of the social group also and should attend meetings because it is at these that many plans for lodge activities take shape. This allows time for making such plans without making lodge meetings too lengthy.

After the meeting, refreshments of apple pie and ice cream were served by Mrs. Cass Bergerson, Mrs. Janet Bernardi and Mrs. Irene Minger who was acting for Mrs. Arlie Emmons who was out of town.

A special highlight of the social hour was a birthday cake baked by Mrs. Sallee Brown laden with lighted candles which was placed before Grace Currie in observance of her eightieth birthday. She also was showered with cards and gifts. Several others received secret pal gifts in observance of birthdays occurring this month.

At the next meeting, October 28, the first nomination of officers will be held. Second nomination and election will take place November 11.

Angling Rules To Be Heard

Oregon sport fishermen are alerted to the angling regulations hearing scheduled at the game commission's Portland headquarters on November 8 and 22.

Following a two-week interval, the commission will reconvene on November 22. Any changes to the tentative regulations will be made on this date. The commission will then adopt the final rules for the 1966 season.

The public is invited to attend and to voice comments and recommendations. Recommendations may also be presented to the commission in writing.

Insurance Cut For Non-Smoker

A new non-smokers policy has been pioneered by Farmers New World Life Insurance company, a member of Farmers Insurance Group, according to Lloyd Quinn, local Farmers agent.

The policy, introduced during September, makes life insurance available to non-smokers and to former cigarette smokers who have not smoked for the past two years at lower premium rates than those offered to smokers.

Farmers' development of the new policy was triggered by the mounting proof of the relationship between cigarette smoking and death. Studies showed that the mortality rate for male cigarette smokers for all causes taken together is nearly 70 percent higher than for non-smokers.

It pays to remember that the faster you drive, the sooner the ambulance will overtake you.

It's always the results that count—not the plans or promises.
