### Survival on the River Film Showing Sponsored by Lions

An outstanding movie, *Survival on the River*, accompanied by a lecture by the film's author, Odd Bjerke, will be presented in Vernonia the evening of March 18 at 7:30 p.m. at the Washington grade school under sponsorship of the Vernonia Lions club, according to an announcement made this week. The film presentation seeks to fulfill two purposes, the giving of outstanding information on survival through the media of a thrilling film, and to raise funds for the Explorer Scout post which the club has voted to sponsor.

Tickets are \$1.00 for adults, 50 cents for students and \$2.50 for families.

To give a brief preview of the treat in store for those who attend, the following information is given about the film:

"The ominous rumble of the great rapids sounds louder in the ears of the two weary bearded men as their small raft, caught in the vice like grip of the current, sweeps inescapably closer to the seething maelstrom of white water. Straining at their oars, they search the river ahead with questioning eyes, seeking a passage through the foaming breakers and glistening boulders, that reach hungrily for the frail raft and its human cargo."

This is just one of the many such ordeals these men faced on their long 500 mile river journey through the heart of America's last great wilderness, for the Salmon River, the legendary "River of No Return", tests to the utmost the skill, courage and endurance of the man who will accept its challenge.

### TOPICS OF THE TOWN

Mrs. Sam Davis entertained the afternoon of February 24 with a party for her son Duane on his fifth birthday. Guests included small friends of Duane accompanied by several mothers as follows: Mrs. Frank Steele, Karen and Pamela; Mrs. Owen East, Christie and Barry; Mrs. John Rinkes, Connie and Julie; Kala Sword, Gary Meyer, Chris and Sandy Cota, Lori Tipton, Venitia Daughtry, and Howard Brown. Also present were Duane's grandmother, Mrs. John Sunquist and a neighbor, Mrs. Oscar Vike.

February 13, Mr. and Mrs. E.G. Hislop received news of the death of her sister, Mrs. Rueben Johnson at Bertha, Minnesota and they left immediately to drive there for services held February 17. They encountered some snow but nothing to impede their progress. They left there February 28 and arrived home March 3, and traveled just ahead of the severe storm that has since closed roads over which they came and has caused widespread damage. They felt very fortunate to have been ahead of it.

Frank Serafin, worshipful master for the Vernonia Masonic lodge, and Ralph Bergerson went to Warrenton last Thursday evening to attend the annual crab feed held by Gateway Lodge No. 175.

Mrs. Eva Gallimore of Albuquerque, New Mexico has been a guest at the home of her sister, Mrs. Willard Haverland. She came for the funeral of her nephew, George Brown, and remained for a week's visit. Among others here for the services were Mrs. Haverland's daughter and husband, Mr. and Mrs. Carl Smith from Albuquerque and two sons, Phil Brown of Los Angeles and Fred Brown of Bakerville. All of George's sisters and brothers were here except one, Richard Haverland, who is in Tennessee.

Mrs. Maxine Weller and children, John and Judi are now living at Beaverton and have a new mobile home at American Mobile Lodge. Mrs. Weller is employed at the out-patient clinic at Oregon Medical school and John is employed at Noblecrafft and this puts them closer to their work. Judi is a junior at Sunset high school.

Mr. and Mrs. Marion Steers were happily surprised last Friday evening when their daughter and husband, Mr. and Mrs. Ron Smith and family from Creswell arrived for a week end visit.

Mrs. Wm. Harders returned home last Thursday from San Diego, California where she had visited for a month with her son and wife, Mr. and Mrs. Warren Ward and family. They took various sightseeing trips while she was there, including a trip into Mexico and they also attended the show, Sound of Music. Weather was good all during her stay.

Mr. and Mrs. Harry Sandon spent the week end at Astoria and Saturday she attended the meeting of Delta Kappa Gamma, education honorary sorority. Future teachers were entertained at this meet and among those attending were two former Vernonia girls, Kathleen McMinn of Seaside and Kathy Steele of Astoria. Circumstances prevented other local members and a Vernonia high school representative from attending.

Mrs. Otto Seidelman has been in the Forest Grove community hospital for almost two weeks following a severe stroke which paralyzed her right side. Pneumonia complications followed but she seems to be recovering from that. However, her condition still remains critical.

Harry Emmons entered the Forest Grove community hospital on Monday afternoon and underwent surgery Tuesday morning.

Neighbors gathered at the home of Mrs. Josephine Larsen Tuesday afternoon to help her celebrate her birthday. Birthday cake, jello and coffee were served. Those present included Mrs. Alice Christy and daughter Carla from St. Helens, and Mesdames Jack Hacksma, Pearle Adams, Clarence New, Charles Van Alstine, Frank McCabe, Sallie Brown, Blanche Millis, Ruth Smith and Henry Miller.

A number of Vernonia residents were in Seaside Wednesday for funeral services for a former Vernonia resident, Jack Parker, who passed away early this week following an extended illness. Burial was at Tillamook.

### D. Thiel Tosses Hat Into Ring

State Senator Daniel A. Thiel (D-Astoria) has announced that he will seek re-election to his present State Senate office from the 14th district, comprising Clatsop and Columbia counties.

Senator Thiel was appointed to his present position in November, 1956 following the election of the State Senator Bob Holmes, to the governorship. Subsequently, Senator Thiel was re-elected in 1958 to a four year term and again in 1962. He is presently serving the Senate as president pro-tempore as well as senate chairman of the ways and means committee which he also headed in 1961 and serves as a member of the emergency board.

### Permits Reach Total of 27

A report from the Columbia county building department shows that permits for building outside of incorporated cities totaled eight for January and 19 for February, or a total of 27 permits to date.

In January there were two permits for new residences for a total valuation of \$24,500. In February, there were nine permits for residences and a valuation of \$113,600. The 11 permits in the two-month period totaled \$138,100.

Other permits in the two-month period were one for a motel and trailer court, eight for residence additions or alterations, three for detached garages, two for plumbing and two for miscellaneous items. Total valuation was \$154,935.
