Death Claims Violin Maker

Funeral services were held Monday in Portland for Walter C. RePass, aged 95, who passed away March 11 at his home at 1824 NE Hancock in Portland. Mr. RePass formerly lived in Vernonia in the early 1920s when the mill was under construction and Vernonia was in its boom era. It was he and his brother who designed and built the church on State avenue. He and his wife lived in what is now the office for the Cherry Tree apartments and it was he who converted the former Evangelical church into the Cherry Tree apartments.

One of his big interests then and all through his life was the making of violins which he loved to exhibit and to play for friends. In an interview given at the time of his 95th birthday, he stated that he had 150 violins, 30 of which he still had at that time. He had since sold some of those. An outstanding experience in his life was having Jascha Heifitz play one of his violins during an interview in Portland.

Mr. RePass was born in Virginia in 1870 and came to Portland in 1906. He is survived by three sisters and a brother, Harry K. RePass of Walla Walla. Interment was Wednesday at Mountain View cemetery at Walla Walla.
