Chamber Echoes

Vernonia continues to be that stable and friendly community located in the upper Nehalem Valley as indicated March 19 at the Vernonia Chamber of Commerce smorgasbord and dance (Town and Country Day) at which approximately 200 people were served and approximately 65 dancers enjoyed the music of the Erick K Quartet.

This annual event has in the past been a fund raising project for the chamber but this year it was a community fund raising project for the improvement and beautification of the Vernonia Memorial cemetery.

To have a successful fund raising project takes the ingredients of community cooperation and its support which was clearly shown at this event. This type of support and cooperation makes any community stronger.

Your Chamber of commerce expresses its most sincere thanks to all community citizens in this success and we do extend our most cordial invitation to attend any of our meetings and give your ideas for continued community betterments as a better place to live.

Ralph E. Bergerson,
President.
