Revival Is Extended At Nazarene Church

The revival meetings conducted by the Laymen's Evangelistic Group of Portland being held at the Vernonia Church of the Nazarene will continue at least through April 3. Rising interest on the part of the congregation and the people of the community led to this decision.

The meetings are beginning to take on the spirit and atmosphere of the revival meetings and protracted meetings of early-day Methodism. The public is invited to attend and enjoy the singing led by Charlie Jones and the preaching of Elmer Andrus. Services are at 7:30 each evening.

Oriental Dinner Aids Orphan Support Fund

The social hall at the Evangelical United Brethren church took on a decidedly oriental look last Saturday evening for the oriental dinner sponsored by the EUB Youth Fellowship. The affair was a benefit to raise funds to support the orphan the young people have adopted in an Asian mission field through World Vision. The young people were assisted by the EUB Guild members who prepared the food.

The young people dressed in oriental fashion and the church was elaborately decorated. A Chinese tea room at one end of the hall invited guests to sit on cushions and eat in oriental style.

Girls to Sell Easter Lilies

Lily Day is one of the traditions of the Easter season in Vernonia and Saturday, April 2 volunteers from Rainbow Girls will be on street corners selling the little white paper flowers to help the Easter Seal Society raise funds for crippled children and adults.

When you buy your lily you are helping the handicapped in two ways, according to Mrs. Ed Ross, Columbia county Easter Sale chairman. The contribution goes to provide services for the crippled and it also benefits handicapped workers who make the lilies.

Mrs. Ross said that last year Lily Day contributions, combined with other income received during

the annual Easter Seal campaign make possible these services for crippled children and adults in Oregon: Children's hospital school, 60; individual case service, 604; mobile therapy clinics, 421; camp Easter Seal, 127; continuity care program, 173 for a total of 1,385 children and adults benefited.

The Easter Seal campaign began March 1 and ends April 10, Easter Sunday.
