Lenten Meditation

by the Vernonia Ministerial Association

HAVE YOU BEEN RAISED FROM THE DEAD?

Are you a slave to some sin or habit? Have you prayed and struggled to no avail? Do you feel you must drag your chains until death releases you? There is good news for you in Christ's death and resurrection. The only way of release from sin's power and penalty is through death. When I realized I was death-doomed, I accepted the death of Christ as my deliverance.

However, Christ's death for us is only part of the truth; we were not saved apart from Christ but in union with Him. We were joined to Him at Calvary; His death became our death, His resurrection our resurrection, His life our life! Did Christ die for you? Then He died your death. In Him we died to sin's mastery. In Him we were raised to a new life of freedom from the old.

"Buried with Him by baptism, wherein also ye are risen with Him..." Col. 2:12 "Knowing that our old man is crucified with Him that the body of sin might be destroyed, that henceforth we should not serve sin. For he that is dead is free from sin." Rom. 6:6, 7.

This is a great fact of all who have accepted Christ as Saviour. (If you have not, you may!) Our part is to consent to our death with Him and by faith put our feet upon every sin, habit and circumstance that would enslave us.

"Likewise reckon ye yourselves to be dead indeed unto sin, but alive unto God through Jesus Christ our Lord." Rom. 6:11.

Church Extends Revival Series

The series of meetings being conducted each evening at the Church of the Nazarene has been gaining in interest and will continue throughout the week. They are being conducted by a group of laymen, business men from Portland, asking no remuneration but the opportunity to tell of the joy and victory they have found in Christ. The group has been greatly encouraged by the attendance of members of many of the different churches of Vernonia interested in the spiritual and moral welfare of this city. No church lines are drawn and gracious fellowship has been enjoyed, according to reports from members of the laymen group.

They extend a cordial invitation and urgent appeal to all who have an interest in seeing a real heaven-sent, prayed-down, God-given revival as seen in the past in days of Wesley, Finney and Moody.
