

Girl Scouts Receive Awards

Pinning ceremony and presentation of awards for the Vernonia Girl Scout Troop 66 was held on March 23 at the Scout cabin in the city park. All members of the troop had earned the world association pin and they all received new Girl Scout pins. Those who had been in Girl Scouts for a year received year pins.

A number of the girls received badges they had earned. These were in homemaking, swimming, skating and other things on which each girl had worked individually. The girls worked hard for their badges and congratulations were extended to each of them for their efforts.

Mothers of the girls were special guests for this ceremony. Refreshments were served by the girls following the meeting.

The girls have been actively engaged in the annual cookie sale for the past two weeks and have been having very good success.
