MEN IN UNIFORM

D. P. Moreland reported last week that mail had finally begun coming through from his son Johnny who was injured in the explosion on the USS Forrestal some time ago. For some time mail was not received on the ship nor was any sent out. In the explosion, Johnny was hurled down a stairway and incurred an injured wrist which required six stitches, a cut on the head which called for more stitches, and a badly bruised shoulder, though no bones were broken. The hospital facilities on the ship were not destroyed so the injured were cared for there. When Johnny wrote his dad, the Forrestal was enroute to Norfolk, Virginia for a complete overhaul.

Mr. and Mrs. Harry Eckland have news from their son Sgt. James Eckland in Colorado that he was successful in getting a four-point mule deer in a special hunting season. The deer dressed out at 250 pounds. The hunt took place at 4000 feet. Sgt. Eckland hopes to be home for a visit by elk season.

Dan Walker, son of Mr. and Mrs. Robert Walker, enlisted in the army two weeks ago and left August 31 for Fort Lewis to enter basic training.

Youth Groups to Start Activity

The high school Youth Fellowship will start its schedule of after game activities Friday evening with a gathering at the Gene Wellner home on Stoney Point where singing, games and watermelon are all on the schedule. This is for all high school students interested in attending.

The high school Youth Fellowship is a recognized high school activity for Christian youth and Don Anderson is the faculty advisor. Various activities will be planned for the group during the year.

This Saturday evening, the first Community Christian Youth Rally of the season will be held at the Christian church at 7:30 p.m. This is for young people of all ages, including the young in spirit as well as the young in years.

Outstanding feature for the rally will be the Clark family quartet from Portland. One of the quartet members, formerly a George Fox college student, will speak. Refreshments will be served after the meeting.

Youth Rally activities during the summer were two swim parties, one preceded by a watermelon feed and the other by a hamburger feed.

Plans for the year ahead include a banquet, movie, various speakers, seminar sessions, after game activities and other fun activities.

The rally group is inter-denominational with the objective of providing enjoyable activities for young people and for putting forth the message of the gospel.

Persons wishing any further information about these activities may contact Mr. and Mrs. Gene Weller, Mr. and Mrs. Don Anderson, Geoff Proehl or Sandra Lindsley.

Fire Destroys Mill Near Mist

The Mist Shake and Ridge Company mill owned and operated by Dick Johnson near highway 47 between Vernonia and Mist was totally destroyed by fire at about 6 a.m. last Friday. The fire was discovered by a passer-by who reported it to the Johnsons.

Cause of the fire was not determined but it might have been from sparks which fell into sawdust piles. State Forestry department crews were called but the fire was too advanced to make saving it possible.

No estimate of the amount of the loss has been released but it was not covered by insurance. Johnson states that he plans to rebuild, however.

IP Tree Farm Remains Closed

International Paper Company's Vernonia Tree Farm remained closed to hunting last week end due to dangerous fire conditions, in spite of the state opening some areas to special hunts.

Longview Woodlands Area Forest Manager J. T. Steenbergen said Vernonia Tree Farm will continue to be closed to all public entry until substantial rains reduce the extreme fire threat. The fire hazard remains critical despite recent sprinkles. The company asks the public to stay out of the woods during this period of dangerous fire weather to help protect the resources and the economy.

Woodlands in IP's Vernonia Tree Farm stretch from Vernonia south to Glenwood, and west to Elsie on the Sunset highway.
