Auxiliary Aids Vets Hospitals

Eight members were present at the meeting of the American Legion Auxiliary Tuesday afternoon of last week at the home of the president, Mrs. Beulah Hall.

Marie Atkins, community service chairman, reported that the dinner served for the West Oregon Electric Cooperative at their annual meeting had been successful. From some of the funds derived from it, Christmas gifts were voted as follows: \$15 to the Portland Veterans hospital, \$5 to the Roseburg Veterans hospital and \$5 to the Camp White veterans home. The Past Presidents club reported that they, also, had voted a gift of \$10 to the Portland hospital.

The auxiliary is again sponsoring the magazine subscription drive in this area. From these drives, various items of hospital equipment have been earned and these are available for use in the community wherever there is a need. This year, they hope to add a wheeled walker with canvas seat. The auxiliary expressed appreciation for the support of people in the community to these drives and ask their continued help so that more equipment may be obtained since the demand is greater than the supply.

The auxiliary also asks any one who orders magazines and does not receive them within a reasonable time to report to them so that they can check on it. Any such circumstance is an unintentional error and they desire to have all corrected.

Announcement was made that the gift shop at the Veterans hospital in Portland will open December 3 at 1:30 p.m. Auxiliary members have been making gifts to send in and ask that any others who wish to help contact them. Items such as pillow cases, aprons, toys and other gift items are welcome. These are made available to veterans who are hospitalized to that they can have gifts for members of their families. No charge is made for the gifts. Auxiliary members donate paper and ribbons and go to the hospital to help veterans select and wrap gifts.

At last Tuesday's meeting, plans were completed for the Veterans Day dinner which drew a good crowd. The reports from girls state given by Jeanette Aultman, Sandra Lindsley and Claracy Hartzell were very interesting and helped those present to have a better understanding of the Girls State program.

The next auxiliary meeting will be the afternoon of November 21 at the home of Mrs. Hall.

Pythians Visit Other Temples

In lieu of a meeting here last Wednesday evening, November 8, two carloads of members from Vernonia Temple Pythian Sisters went to Forest Grove to attend Friendship Night at Delphi Temple. In the group were Martha Brady of Warren, Irma Chance, Lucille Hickman, Marie Atkins Cora Lange, Murel Folken, Jackie Atkins, Faye Davis, Mary Brown, Dorothy Walker and Lesta Garner. They were joined at the meeting by Gladys Sozoff of Forest Grove who holds membership here, making an even dozen Vernonia members in attendance. Several members were detained from going because of the long flight of stairs leading to Delphi's hall.

Officers from invited Temples were asked to be courtesy officers and Martha Brady acted as past chief. The courtesy officers conducted the ritualistic opening and each was presented with a gift by the corresponding officer of Delphi.

Emma Gene Emerson, member of Delphi Temple who has just completed five years as grand secretary for the Grand Temple of Oregon was honored in a clever addendum. This was followed by several entertainment numbers, including old time music by Rollie Walker, violinist who is past 80 years of age, Marvin Emerson on the harmonica and Stella Strahl at the piano. One of the guests remarked that she had danced to Rollie Walker's music 59 years ago and he hadn't slowed down a bit, but she had. Faye Davis stated his music held memories for her, also, for she had danced to it when she was a girl.

November 2, 3 and 4 Vernonia Temple held a very successful rummage sale, and according to previous vote, a check for \$25 from rummage sale receipts has been turned over to the ambulance radio fund. The temple appreciated all help given them to make this possible. Parts of the fund will be used in other community projects during the year.

Since the next regular meeting date is the night before Thanksgiving, permission has been obtained to re-schedule it to November 29. Several important matters are to come before the group at that time, including first nomination of officers.

Last Sunday, four members of Vernonia Temple were in Portland to attend a reception for the recently elected grand secretary, Helen Sullivan. The event was held in the St. Johns area and was sponsored by Rose Temple. Those attending were Irma Chance Cora Lange, Faye Davis and Lesta Garner. Mr. Lange and Mr. Garner accompanied the ladies.

The greatest task in any man's future is to put his good intentions into action.
