

WOULD YOU like to know who lives on the cleanest street in town? Here are some of the people, Kenneth and Phillip Smith, Pete Jones, Willa and Derwin Henderson and Johnny McKay. And the reason that their Street, E. Birch, is the cleanest is because these youngsters and 2 visitors, Renee and Kevin Loyd, under the sponsorship of Claude's Saw & Service, combed

the area Sunday for every bit of debris. A piece count was taken and first prize went to Ken Smith who gathered 383 pieces, besides helping his younger brother. A total of over 1800 pieces were gathered, after which the group washed up and lined up at Claude's candy counter for treats. And, if you like a treat, stroll down the whole block of E. Birch. It's neat!
