VERNONIA-isms

By J.L.S.

Well, have you had enough water for a while? At our house, right on the river there was some real concern. Enough concern that my wife made me get up every couple of hours to look at the river to see if we were in danger.

From talking to some of the long timers I find out that this is the highest the water has been in recent years, however not the highest that it has been in the past. Most of this water is due to the melting of the snow in the hills, and not the rain. I've been told that we experienced a "chinook."

I hope that you have all got out to see the Loggers play basketball. This Friday night's game with Knappa will be a real test as to what to expect from the Loggers the rest of the way in our league. The boys have been playing real good ball and an exciting team to watch. They are to be congratulated for their hustle and attitude.

Don't forget the special election this coming Tuesday. This is probably one of the more important questions that has been put to the voters in some time. Note the front page story on the change in polling places.

Make a special note on your calendars for the awards banquet to honor the citizen of the year and the DSA winner. That date is January 29. Senator Wayne Morse is the featured speaker. Tickets are available from several Chamber members and Jaycees.

Don't forget those PCC classes that are available. The school goes out of its way to provide these courses for us and we should definitely take advantage of them. It's not too late yet to sign up.

Still no word from the county on a new dog control contract with the city of Vernonia. I guess they are not going to give us any choice but to handle the problem on our own.

Goodwill Coming; Need Appliances

On February 16, the Goodwill truck will be here to pick up any articles you may have. Electrical appliances, toys, clothing or anything that may be useful. If you start your spring housecleaning early, call Mrs. Frank Lange, 429-3421.

Senior Citizen News

The first potluck of the year of '72 was held January 7 at the Community Center. Only about thirty attended. So many ill with flu was the reason. A business meeting followed.

Mr. and Mrs. Norman Davis Sr. were in Auburn, Washington for a week visiting at the home of their son, Norman Jr.

Joe Schmidding is in the hospital. He suffered a bad fall and exposure. No one found him until the next day.

Mr. Gonzales is home from the hospital but not much improvement.

Among those who have been ill since the holidays are Mr. and Mrs. Loren Rosa, Rosa Pierce, Mr. Bruce Watson, Annie Roberts, Leta Whitman, and Mrs. Jack Hacksma.

Mrs. Pearl Johnston is improving but unable to get to the center. The next potluck will be January 21. After the meal, pictures will be shown of Sweden.

Evangelical

Saturday afternoon, the church basketball team will travel to Jennings Lodge to play Western Evangelical Seminary. The team will need all available moral support, so you are invited to play or cheer this Saturday.

Lord's Day activities this week include Sunday School, and Morning Worship. The Evangelical Youth with the evening service following at 8 p.m.

Next Wednesday is the date for the monthly Evangelical Women's meeting. Activities begin at 12:30 p.m. with a dessert luncheon. All interested ladies of the community are invited to attend.

Each evening at seven, there is a time of prayer in the pastor's study. If you have special prayer requests, join us for this time of seeking God.

Who should go to church? One man says he doesn't go because he isn't good enough. Another man says he's good enough and doesn't need church. How good are we or are not isn't the issue but that deep hunger that God has put within our hearts for fellowship with Him can only be satisfied through personal experience. We invite you to join our church family in the adventure of living a Christ-centered life.

Christian Church

We wish to take this opportunity to thank Mrs. Don Jackson and those who assisted her in constructing the beautiful Christmas window display at the Fire Hall for the Lions Club window contest.

A watch party was held December 31. Those attending had a wonderful evening of fellowship followed by a candlelight Vesper service at midnight.

Letter To The Editor . . .

This is the first indication that I have had, that the elk in the Timber Route vicinity, were allocated in any degree to one specific hunting clique. I wonder if letter writer X ever stopped long enough in his head long flight to other hunting areas in quest of his elk, stopped to ponder this fact?

I am in full agreement with Mr. Gardner, that letter writer X is a very small person indeed. Mr. Gardner, to my personal knowledge has never tried to evict these fine animals from his land, but rather let them feed and roam at will, even though the herd did tear down his fences and trample his property.

I feel that this herd of elk will be in the Timber Route area for a long time to come, as they have been for several years in the past to my knowledge.

The publicity by the Vernonia Eagle given this herd of elk about four years ago during the very heavy snow fall, they were fed bale after bale of hay and bushels of grain, did not in my opinion peril the herd to any degree from hunters from other parts of the state, and I presume the Vernonia Eagle had a good extended circulation throughout the state at that time too.

Again I say letter writer X was and is a very small and self centered person, and perhaps good relationship could be restored between land owners and hunters if letters of this type signed X would be eliminated or signed by the author. I believe that Mr. Gardner deserves a letter of apology by the writer X, and those "few who got together", and sign their true name, don't you agree?

Another Christmas season has come and gone, and we of the Christmas Basket Committee, trust that in our community there was no family left without some remembrance or assistance if needed.

It is difficult to thank each and every one personally or by name that participated in this, and in fact expect most would rather not be named so we take this means to express our sincere thanks and appreciation. We do wish however to express special thanks to the Vernonia JC's and the girls of the various bowling leagues. Their contributions of food and gifts were tremendous and certainly lessened the amount of "leg work" that would have gone into this project.

Over twenty baskets were delivered so that many families and many more individuals were remembered by fruit baskets and other tokens of Love & Best Wishes from the lodges, churches and individuals.

This Christmas fund has been generously supported by the businesses of the community and in the past from the United Fund Drive, but since we are not an incorporated organization we can no longer look to the United Fund drive for any funds, and have not had any for several years. The members of the Vernonia Study Club has been in charge of this worth-while project for many years and we enjoy doing this. We are considering having some kind of a fund raising project in the spring or summer that this work may continue indefinitely and we trust at that time, we will have the full support of our community.

Again, we say "Thank you so much."
