FAMOUS FRIENDS - Pinocchio and his conscience, Jiminy Cricket, visit Pleasure Island and save Geppetto from the whale in the "Further Adventures of Pinocchio" production number, one of seven in the all-new and different Fourth Edition of the 2½-hour live stage musical "Disney On Parade" opening at Portland's Memorial Coliseum on Wednesday, July 18 thru Sunday, July 22.

Pinocchio Highlights of Disney on Parade Show

Pinocchio escapes the hidden evils of Pleasure Island and saves his father to finally become a real boy in "The Further Adventures of Pinocchio" in the all-new Fourth Edition of "Disney On Parade" appearing July 18 through July 22 at Portland Memorial Coliseum for eight performances.

The original "Pinocchio" feature film, released in 1939, won two Oscars for Best Original Musical Score and for Best Song, "When You Wish Upon a Star," which has become one of the most famous symbolic Disney songs.

"Pinocchio" opens with a brief film segment from the original film. Jiminy Cricket, the little puppet's conscience, sings a few lines of the Academy Award winning song followed by Geppetto creating Pinocchio and the Blue Fairy bringing him to life.

Action shifts to the live stage floor at the Red Lobster Inn. Foulfellow and Gideon agree to sell Pinocchio to an evil Coachman who is collecting stupid little boys for a trip to Pleasure Island where they never come back as boys.

A brief film segment transports Pinocchio to Pleasure Island with Lampwick, a tough boy who teaches Pinocchio bad habits.

Pinocchio and Lampwick join the boys doing everything they ever wanted to do, singing "It's So Good Being Bad." The two friends discover a pool table in the world's largest eight ball (18 feet tall) while the chorus of boys execute a vigorous dance routine.

Jiminy Cricket discovers the

Seattle Tour Made Recently

MIST—Mrs. D.D. Barr and Mrs. Martin Hanson were in Seattle recently. While there they took a bus and waterfront tour, went through the Ballard Locks to Lake Union, rode the monorail to the Space Needle, and visited the foreign shops. The former World Fair area has been made into an amusement park now. A tour of Pike Street Market was enjoyed. Mrs. Hanson returned, while Mrs. Barr remained over for a visit with relatives before coming home.

Mr. and Mrs. Harold Thompson of Portland visited at the Norman Hansen home, Sunday. The Steve Hansons of Corvallis were weekend guests.

Those attending the Reed Holdings 60th wedding anniversary reception at the Max Oblack home included Mr. and Mrs. Robert Mathews, Mrs. Lloyd Beach, and Mr. and Mrs. Noble Dunlap. Mrs. Ira Peterson of Scappoose attended as well. Mr. Peterson is in the Veterans Hospital.

The Bob Mathews family of Yankton were weekend visitors at the home of his folks, the Robert Mathews.

Miss Susan Siefertler was a dinner guest at the home of the Eldon Shetler family, Sunday. She was guest speaker at the morning church services at Birkenfeld.

Mrs. Mary Hemeon and five children of Lexington, Mass., arrived Saturday afternoon for a visit with the Bud Hemeons. The Hemeons received word that their daughter, Vickie, has arrived at Barcelona, Spain and will be spending a week on the Mediterranean.

The Burlington Northern Railroad is said to haul more grain than any other carrier. It moved 8.5 million tons of wheat last year.

real purpose of Pleasure Island: bad little boys are literally making a jackass of themselves and being sold by the Coachman.

The boys suddenly change to costumed donkeys with tails and ears. Jiminy Cricket rescues Pinocchio just in time when he sees the puppet also has grown ears.

Pinocchio, in a brief film segment from the original award-winning feature, learns his father has been swallowed by Monstro the Whale and rushes to the rescue. He appears to sacrifice himself saving his father and proving himself brave, unselfish and truthful.

Back live on stage the grieving Geppetto places little Pinocchio on his workbench. The Blue Fairy rewards Pinocchio by bringing him back to life and making him a "real boy."

The production ends as Jiminy Cricket sings, "When your heart is in your dreams, no request is too extreme, when you wish upon a star your dreams come true."

Disney On Parade performances are 8 p.m. Wednesday, July 18 through Saturday, July 21; 6 p.m. Sunday, July 22; Matinee performances Friday, July 20 through Sunday, July 22 at 2 p.m.

Reserved tickets are \$5, \$4, \$3. Tickets are available at Memorial Coliseum, 235-8771; Stevens and Son, Lloyd Center and Salem, Meier and Frank, downtown Portland; Lincoln Savings & Loan, Beaverton; and Hardy's, Jantzen Beach Center.

Witnesses Set 2 Conventions

The Watchtower Bible and Tract Society of New York has revealed completion of plans for a series of international conventions of Jehovah's Witnesses in 1973.

Spokesman Kent E. Battrick, presiding minister of the Vernonia congregation of Jehovah's Witnesses, said local members will attend either the convention scheduled for Empire Stadium in Vancouver, B.C., July 4-8, or Oakland, California, July 11-15.

Other meetings in the United States are planned for Tiger Stadium in Detroit, White Sox Park in Chicago, Dodger Stadium in Los Angeles, Yankee Stadium in New York, Astrodome in Houston, Three Rivers Stadium in Pittsburgh, Royals Stadium in Kansas City, Veterans Stadium in Philadelphia, Atlanta Stadium and Gulfstream Race Track near Miami.

Six Spanish-language conventions are also scheduled for the United States. All meetings are set for June and July.

Internationally, five conventions have been arranged for Canada, twelve in Europe, five in Asia, seventeen in South and Central America, three in the South Pacific and seven in Africa during 1973.

The theme of the conventions world-wide is "Divine Victory" and will stress the Witness' belief in the certainty of Divine intervention in human affairs in order for man's problems to reach an ultimate and permanent solution.

Poetry Workshop at Univ. of Portland

A one-week workshop to study and practice writing of modern poetry will be held July 16-20 at the University of Portland.

Samuel S. Crawley, a young prize-winning poet, will instruct the class which offers two semester hours of credit. For more information, phone 283-7260.

Board of Commissioners

(Memorandum Minutes)

The Columbia County Board of Commissioners met in scheduled session June 27 with Chairman Fred Foshaug presiding, Commissioners Minkoff and Ahlborn and secretary Gloria Salvey (deputy clerk) present.

Commissioner Minkoff moved and Commissioner Ahlborn seconded the minutes of the meeting of June 20 be approved, providing the action relating to the hiring of Ted E. Morgan as Engineering Technician II be rescinded. Motion carried.

Miscellaneous claims were approved.

Roadmaster Keith Thompson met with the board to discuss various road department matters. He reported the work being done by Oregon Bridge Engineers should be completed by the middle of July, and that he anticipated the billing would be less than expected.

Thompson reported the pump has been installed at the shop, and there is some repair work to be done on the line because of airlocks.

Thompson advised he had received a letter from Burlington-Northern indicating they could find no application made by anyone for a railroad crossing at the Deer Island Road, and requested he contact the Public Utilities Commission about this.

Thompson reported he and Martin Sells were to meet with Mr. Starrett this afternoon to determine if Mr. Starrett would be agreeable to granting a storm easement across his property.

Thompson then advised that the Viewcrest Street Improvement project will probably be completed this week, and completion of the driveways by next week.

Thompson indicated deeds for 10-foot road strips should be forthcoming from both the Krugger Tracts subdivision and the Garden View subdivision and recommended that both be accepted.

Thompson presented letters from the chairman of the safety committee making recommendations regarding corrections of safety problems which had been brought to their attention.

Thompson presented personnel action forms for signature hiring Ted E. Morgan as Traffic Engineering Technician, temporary, and James Yowell, Engineering Technician I, both effective July 1, 1973.

Wally McClelland met with the board regarding the new city of St. Helens ordinance on dog leash laws, and discussed a contract which will be prepared by the city and county attorneys for enforcement. Commissioner Ahlborn indicated he wished the city dog control officer to also be sworn in as a county officer, since he will be issuing citations.

Representatives of Blue Cross met with the board to discuss proposed increases in rates and benefits, which had been placed under the 60-day presidential freeze. They advised further information would be forthcoming from AOC about this.

A petition was received from residents of the J.P. West and Adams Road area in Scappoose for improvement to eliminate dust, and to improve the surface.

An offer of \$100 was received from James and Martina Carpenter for Lot 20, Block 77, City of St. Helens and was referred to the assessor's office for appraisal.

Commissioner Minkoff moved and Commissioner Ahlborn seconded Commissioner Foshaug sign necessary contracts for a demonstration grant for development of a social center, sponsored by the Mental Health division. Motion carried.

Ron Reeves and Dick Dunets met with the board to discuss the hearing to be held by the board on June 28 regarding the South County comprehensive plans. They discussed recommendations made by the Planning Commission subsequent to their hearing on the matter earlier.

Based upon the recommendation of the Surface Mining Review Committee, Commissioner Minkoff moved and Commissioner Ahlborn seconded the application of C.H. Wagner for a surface mining permit to be denied as being in conflict with both the comprehensive plan for development of the area, and with the proposed south county zoning, as well as a Port Commission study of the airport and surrounding property, and that Wagner's \$100 fee be refunded. Motion carried.

Judge Donald Kalberer, together with District Attorney Robert Lucas and Graham Tewksbury, Juvenile Department, met with the board to discuss LEAA grants for the 1974-75 fiscal year, the first being for a misdemeanant parole and probation officer for district court, the second for a combination volunteer coordinator and juvenile counselor, and the third for a security dock for the jail. They requested the board verbally consent to the approval of the grant applications, with the necessary proposed funding for the 1974-75 year. After considerable

discussion, Lucas advised that this would not be a definite commitment on the 74-75 budget, and that the board's preliminary approval could be rescinded if circumstances changed at that time. Commissioner Ahlborn moved and Commissioner Minkoff seconded that a letter of approval be signed by the board. Motion carried. At the request of the board, Lucas agreed to draft the necessary letter.

Lucas also discussed with the board the sale of mineral rights to persons other than the surface rights owner, and advised that the ORS provides that no deed should be issued in less than 60 days from the date of sale in such cases. He advised that in this type of case, it might be well for the board to notify the surface rights owner that the mineral rights had been offered for sale, and sold, so they in turn could purchase them if they so desired, for the amount bid.

After further discussion, Commissioner Ahlborn moved and Commissioner Minkoff seconded that surface rights owners be notified, by certified mail with return receipt requested, of the sale of mineral rights to other persons. Motion carried.

Jerry Crouse, Jerry's Office Supply, met with the board to discuss the maintenance contract on equipment in the clerk's office. He also requested that he be allowed to submit quotations on any additional equipment to be purchased.
