

Sundlands on Trip to Tahoe

MIST-The Charles Sundlands returned Sunday afternoon after a nine-day trip to Lake Tahoe. The Don Sundlands also made the trip with his folks. They stayed four days at Harveys, saw the Lawrence Welk show at Harrah's Club, and were at Reno and Winnemucca. While there they ran into the worst hail storm they have ever been in. After it had passed over them they found much to their relief no damage had been done to their car. Just two weeks prior to their visit a sudden storm filled the streets with two feet of water. They stayed at Hood River the last night before arriving home and made the Hood River Scenic Highway tour.

Visitors at the Casper Serby home last Sunday were Mrs. Roger McDowell of Cedar Hills, Carl Christiansen of Vernonia, and Vickie Christiansen of Coos Bay. The Everett Pipkens, Everett, Washington, and the Kenny Vages of White Sulphur Springs, Montana, were dinner guests of the Serbys this Sunday. The men were former co-workers of Mr. Serby.

Mrs. Dale Dressel, North Bonville, and daughter Becky Chase of Scio, were overnight guests of the Willard Garlocks Wednesday. The Fred Larson family were visitors Saturday evening.

The Larry Garlock and Wilmer Pickering families returned the end of the week from a six-day camping trip down the Oregon Coast and to Ashland. Many points of interest were visited including Pixieland, the Underwater Gardens at Newport, Sea Lion Caves, and they drove through the World Wildlife Safari at Winston. The families, accompanied by Mr. and Mrs. Elmer Larsen, and Mr. and Mrs. Chester Tate of Iowa, were at Cannon Beach Sunday for the Sand Castle contest at Haystack Rock. The Ed Simmons of Cannon Beach joined them.

Mrs. Mary Hemeon and five children left for Los Angeles the first of the week for a visit with relatives before returning to their home at Boston, Mass. They had been visiting the Bud Hemeon family for several weeks. Vickie Hemeon called her folks last week from Spain to say she was having a wonderful time. At that time she was vacationing on an island about 75 miles off of Spain and will be going next to Florence, Italy.
