NEWS & VIEWS

John Knowlton - The scattered grey clouds which covered last Sunday's sky were appropriately ominous for the Vernonia Men's Golf Association in their second home-and-home match with the men from Sunset Grove. The Sunset group revenged an earlier loss and soundly trounced the locals 37 to 29 and took the revolving trophy back to their home course.

The overcast sky cooled down the playing conditions considerably but it appeared to cool down some Men's Club members golf games at the same time. Some members however had an excellent day on the course. John Rohrbach shot a 76 to win low gross honors. He was closely followed by Larry Borst with a 78.

Larry's brother Jack took low net honors with a fine 67, closely followed by Stan Wilkerson's 68. Rohrbach was Vernonia's only double winner adding the KP honors for number four to his low gross prize. John's brother Wilard kept the KP prizes in the same family by getting the KP on 17. Lynn Michener slammed out long drive on number nine and Ole Bergerson sank the long putt on hole number seven.

Leading the way for the victors was Charlie Clark who had an excellent low gross score of 73 despite three penalty strokes. Second behind Charlie was Tom Ambler. The low net prize for the tournament victors went to Dan Cummings, followed by Bert Fleskes.

Cummings was the only double winner for Sunset when he added the long drive prize to his low net performance. The long putt was plunked in by Jim Boicoff and the KPs went to Mike Thoene and Bob Hays.

The season ending Junior Men's Club Championship was won by Randy Roberts who had a low gross score of 120 in this 27-hole tournament. Randy tied Ole Bergerson for low net honors with a 102 and to complete his day, Randy won the prize for having the most birdies. Ole won a prize for having the most pars and Robbie Hanson, a prize for having the most bogies.

Scott Cameron picked up the prizes for long drive and for KP on number four while Dick Brunzman doubled by sinking the longest putt and getting KP on the fifth hole. Incidentally, Dick's tee shot on number five was four inches short of going in the hole.

The Rainier - Clatskanie Twilight final standings show that the Long Shots outscored the Equalizers 136 to 147 and grabbed the second half championship in the National League. The win gave the Long Shots a playoff spot in today's (Thursday) league championship battle. The Equalizers had already clinched a playoff spot as the first half winners in the National League. Bob Farmer and Bob Massey led the Long Shots to their triumph.

In the American League the Bird Brains easily wrapped up the second half title to go with their already won first half title. They will battle the two National League winners in the playoffs.

Jean Stennick led the field with a 37 for the week's low gross. John Stennick, Lyle Chase and Bob Farmer shot 39's. Low net went to an improving King Foshag with a 30, Bob Farmer and Jack Edwards shot 31's. Bud Rice had a good day taking the long drive on number eight and the second shot KP on number two. Al Erickson got the KP on the fourth hole and John Stennick sank the long putt on the ninth hole.

Coming up are the league playoffs today and the league banquet August 16

Local Scouts Enjoy Camping

Seventeen Boy Scouts - the largest group from Troop 201 in many years - attended scout camp last week. Camp Clark located about twenty miles south of Tillamook, was where they spent a fun-filled week of camping, hiking, swimming and many skill activities. All the boys earned at least one merit badge and some up to four.

On Wednesday evening the boys, with leaders, hiked to the top of Lookout Point and down the other side where a World War two aircraft crashed 30 years ago to the day, leaving but one survivor.

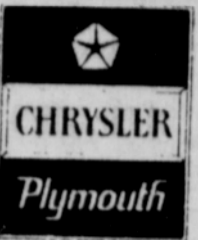

On Friday morning a hike along the beach to the base of the cape to the Marine Gardens where they saw among other things, an octopus with twenty legs.

Friday was also a day for competition. Each patrol, Vernonia having two, competed for camp awards through camp activities some of which were cooking rolls for the scout masters, archery and rifle skills along with swimming and general work around camp. The two Vernonia Patrols came in first and second out of about fifteen patrols.

Those from Troop 201 at camp were Steve and Barry Brown, George Ray, Kevin Loyd, Kirt Marxer, Jerry, Gary, and Bill Kinny, Doug and David Jackson, Scott Lamping, Chon Tassin, Nick Matteson, Raymond Hall, Tom Clason, Dwayne Bates and

James Goodman who is working as Trading Post Director. Two adults who went with the boys were Scout Master, Mack Brown and Vic Hall from Portland, who went with the boys last year.

There will be a meeting at the Scout Cabin this evening at 7. Slides will be shown on caves and a trip is being planned to look at some caves in Eastern Oregon. All Scouts and adults interested are welcomed to the meeting.
