Family Honors Couple On 50th Wedding Anniversary

Mr. and Mrs. Robert Foster of Timber Route were honored by a surprise 50th wedding anniversary dinner Monday, September 24 at the home of their daughter and family, Rudolph Lizzo at Sunnyside.

Originally from Nova Scotia, the Fosters resided in Boston, Massachusetts, where they were married in 1923, prior to moving to Oregon.

Highlight of the buffet dinner was a three-tiered cake, iced in white and trimmed with yellow roses and gold leaves. The top tier held a replica of the couple, backed by a golden 50th decoration. Flanking the cake on

either side were tall white tapers with gold trim.

Attending the event were approximately 20 guests including another daughter, Norma Oliver and family from Creston, B.C.

The Fosters have three sons and another daughter who reside in Massachusetts where they were honored by another celebration while visiting there earlier in the month. They also have 13 grandchildren and two great-grandchildren.

"Now we just have to try for sixty years," said Mrs. Foster when asked how she felt about marriage after fifty years. "That's the important thing."

San Francisco Trip Exciting

On September 12, Bob and Ruth Cadwallader left for a five-day trip to the San Francisco area. While there they stayed with a childhood friend of Ruth's, Sharon DeMello and her husband, Jim, and son Matt. Sharon had slipped a disc in her back the week before, so the Cadwalladers spent some of their time visiting her in the Kaiser hospital.

The Cadwalladers' also visited Stan and Shirley Heisely. Stan and Bob attended the University of Washington together. They visited Jim and Donna Lindsay, former residents of Vernonia, also while in the area. The Lindsays' showed the Cadwalladers' the sights of San Francisco. Highlight of the tour was a cable car ride from Fisherman's Wharf to the Crown Zellerbach building on Busch Street. While staying with the Lindsays', Ruth Cadwallader, in cooperation with Mrs. Coats, Donna's mother, gave a baby shower for Donna.

The Cadwalladers' returned home on Monday, September 17 only to find most of the gas stations along Interstate 5 closed. They finally obtained gas at one station in Medford that was pumping gas, after they waited in line for over an hour.

4-H Members Former Locals Attend Annual CP Conference Now Partners

Columbia County young people joined over 100 4-H members from throughout the state for the third annual Oregon Community Pride Conference at Sunriver, reports Robert H. Stevely, Columbia County Extension Agent. Representing Columbia County at the conference Sunday through Tuesday, September 23-25, were Jerrie Cupples and Gary Fleck, Vernonia; Randy Johnson, St. Helens; and Linda Nolan, Clatskanie. Bob Johnson, St. Helens, 4-H Leader, attended with the Columbia County group.

Sponsored by the Oregon State University Extension Service and Standard Oil of California, the conference was designed to help young people identify problems and to focus on ways in which youth can be instrumental in helping solve problems which will make their homes, communities and state a better place in which to live, explains Stevely.

The emphasis was on the development of leadership skills in community citizenship projects as well as providing young people an opportunity to seek and identify alternatives for the solution of the concerns they identify, adds George Wyatt, OSU extension 4-H and youth community development specialist.

The heart of the program was a series of nine seminars which covered such subjects as land use planning, identifying opportunities in community development, juvenile delinquency, and involving senior citizens in community development projects.

Duane Johnson, OSU extension 4-H and youth specialist, introduced the program Sunday night by telling about "Community Pride - Oregon Style." Monday night's banquet features the presentation of awards for outstanding Community Pride projects conducted by Oregon 4-H groups.

The conference ended Tuesday morning with sessions on "Ideas that Work" and with meetings of county delegates to plan what they might do after returning home.

Although OSU extension specialists and agents played key parts in the program, several guest lecturers were invited to participate. They included Jay Bowerman, Sunriver naturalist; R.E. Clarke, Portland, Standard Oil division manager; Mr. and Mrs. Fred Henske, Madras; Julie Johnson, of Paulina Naturalists; Rick McCreery and Chuck Ryer, both Lane County juvenile counselors; and Owen Murphy, Portland, Standard Oil public relations counsel.
