Twelve Boys Enjoy Cooking and Eating

Bachelor cooking is a class at VHS taught by Mrs. Mildred Mathison and consists of 12 boys in grades 11 and 12 who wish to expand or develop their understanding of cooking and eating.

So far the boys have attempted such things as vegetables, cobblers, biscuits and muffins. They have just finished a special assignment; making coffee cakes just for the faculty.

Of the faculty, Gordon Crowston seems to enjoy their cooking the most. It never fails that just when the food gets done he shows up. Crowston seems to be just looking, but he always ends up with something to eat.

Mrs. Mathison brought up an interesting fact. She stated that exactly one-fourth of the class has red hair.

Well-Known Junior Is Flying Daredevil

One of the most intelligent, debonair students at VHS has taken to the air. Stan Munro has been taking flying lessons at Hillsboro since the summer. About twice a month he takes off to the airport in his beautiful, powerful, automobile, a Toyota. So far the flying ace has made several cross-country flights to Longview, McMinnville, and the most exciting cruise was over Vernonia. Stan says Vernonia makes a nice clearing in the sticks.

So far, Stan has gone through three flight instructors. One of his instructors always carried a Bible when he flew with Stan. This really built up Stan's self-confidence. The solo flight will be in about two months. For those who have plenty of nerve and plan to take a trip, remember to, "fly Stan."

JV Loggers Tied On Knappa Field

Monday October 1, the Vernonia JV football team traveled to the Knappa Loggers home field.

The undefeated Vernonia JV's were driven to an 8 to 8 tie by the tough Knappa defense. Both teams were equally strong, as three quarters of the game went by with no first downs for either team.

Vernonia finally scored when Bob Brooks ran in for a touchdown. Two extra points were made with a pass to Ed Buckner evening the score to 8-8. Knappa scored on a pass and made two points after the touchdown.

Vernonia had other chances to score but was marred by fumbles and incomplete interceptions.

The JV's now have a 3-0-1 record and still remain undefeated.

Parrow Reads Rules To Student Drivers

A meeting for all student drivers and their passengers was held Thursday, at 3:20 in room 4.

Principal Arthur Parrow read the rules which stated, all students who drive to school must have their car registered and their passengers must have written permission to ride to or from school with any student.

A question was brought up about giving someone a ride to or from school when walking in the rain or snow. Parrow said this would be all right as long as the parents knew.

Steve Johnston gave a short talk on the game, and said he hoped that they would "kill Gaston."
