

### Girls In Girls Shop Helped After Hours

Francis Walters, the shop teacher, is going to stay an hour and a half after school one night each week to help some of the girls in girl's shop.

The fourth period girls shop class has 20 girls enrolled which is large for a shop class. Some of the girls are taking shop for the first time, and they don't know very much about working with wood and shop equipment.

To make matters worse some of the girls have branched out into plastics. This makes it even harder to help everyone that needs help.

Walters thinks that an hour and a half after school one night a week will help the girls tremendously.

### Rooks Outstanding In Cross Country

Two very envied members of the VHS Cross-country team this year happen to be rooks, Kelly Smith and Jeff Curl.

These boys have been placing in 2nd and 3rd place. "When you can outrun Juniors and Seniors you're running OK" If a Junior or Senior were asked about this they would say they are just letting the rooks win to make them feel good.

When these two fellows aren't competing with the other team, they are always competing against one another for 2nd and 3rd position.

Kelly and Jeff deserve a lot of credit, because it's hard to be a rook, running in 2nd and 3rd position, with those mean upper-classmen right at their heels.

### Halloween Promotes Student Activities

Halloween is in the air at VHS and many classes and organizations are busily planning parties and other activities.

Most of these students are planning parties, but however there have been some hints of an entire class going trick-or-treating.

Along with cold days, autumn leaves, and pumpkin patches, Halloween also brings on the practical jokers. It's hoped that with all our activities that are taking place that everyone young and old will have a very happy Halloween.

### Tryouts Held Friday For Cheerleaders

Cheerleading tryouts were held October 19 for wrestling and JV basketball.

Three girls were chosen for wrestling cheerleaders: Rena Cunningham, Linda Titus, Bethann Michner.

Five girls were elected JV basketball cheerleaders: Sharon Smejkal, Michelle Borst, Dawn Beamish, Ann Munro, Judy Elide.

These girls will be starting practice soon to learn their yells and drills for the upcoming winter sports.

Sixteen girls tried out for cheerleaders.

### Student Council Minutes - - -

The Student Council meeting was called to order by President Steve Johnston, October 17. The flag salute was lead by Dewey Conroy, and minutes dispensed with.

Under old business, Arthur Parrow, principal, brought up the fact that someone was to contact the police for Thursday night for escort for the serpentine. There was discussion on the floor, but no immediate action was taken.

Under new business, three petitions were presented to the council. One from the Freshman class for a cake raffle on the 19, and one from the Language Club for a Halloween Party. Both petitions were tabled because of lack of organization. The other petition was from the cheerleaders to sell Homecoming buttons at 50 cents each. The petition was passed.

Also under new business, Dewey Conroy brought up the fact that either two or three juniors sprayed black spray paint on the senior sign, and something should be done about it. It was decided to have a meeting of all Junior and Senior class officers, advisors and Arthur Parrow to decide what should be done.

Then Parrow made mention that this year's Student Council isn't the representation as expected and action should be taken by taking roll at every meeting.

A motion was made and the meeting was adjourned. Respectfully submitted Nancy Reynolds (Stand in for Sandra Tupper)

Tuesday - Baked beans, corn bread, tossed salad, fruit, milk

Wednesday - Sloppy Joes, potato chips, pickles, custard, milk

Thursday - Mashed potatoes, hamburger gravy, rolls, buttered green beans, cookies, milk

Friday - Wiener wraps, coleslaw, corn, chocolate cake, milk

### Former VHS Student Injured In Accident

Randy Schafer, a former VHS student, was seriously injured last Friday when a tire rim on which he was working flew off and hit him in the face.

Randy, who works for Valley Tire Co. in Hillsboro, was sent out to a roadside job in which a tire was supposedly flat. Randy started working on the tire when the rim flew off, because of high air pressure still in the tire.

Randy was hospitalized and was reported in fair condition after losing the sight in his right eye and serious facial damage.

### Princesses Elected By Football Team

Monday, October 15th, the Varsity Football team elected three senior girls for Homecoming princesses.

The girls elected were Ronda Smith, Sandy Tupper, and Becky Curl.

One of these three princesses will be the Homecoming Queen of 1973. Coronation activities will begin at 7:30 p.m. on Thursday, October 25 at VHS.

VHS STUDENTS busily decorate signs, posters and walls for the annual 1973 Homecoming Week. Festivities will take place Thursday night followed by the Homecoming game against Knappa on Friday at Greenman Field.

### Loggers Rip The Bluejays

The cross-country team finishes out a winning season of league play, after a first five sweep with a score of 15 to 48.

The whole team felt as though they had run slow times even though some of them had set personal bests, Pat Curl, 12:05; Jeff Curl, 13:08; Kelly Smith, 13:11; Chris Collins, 13:30; Rob Hanson, 13:32; Bill DuPuis, 14:17, and Brad Garner, 14:33.

The varsity team closed out the league season with an undefeated record. This leaves the team the league meet on October 24, at Pier Park in Portland.

### Mrs. Hendryx Holds Meeting for Girls

Last week the girls of VHS were attending meetings with Mrs. Chris Hendryx. The meetings were held so that the girls could get to know her better.

A few of the things she told the girls were that she is the new Dean of Girls, the attendance recorder for girls, the Developmental Reading teacher, the Business English teacher, and the cheerleader advisor. She also told where she was born and all of the places she has moved.

### SAWDUST

Mrs. Ora Bolmeier substituted for Melvin Nice Monday afternoon. Nice had to attend the JV game with Concordia.

Pam Caron, a former resident of Vernonia, visited VHS Thursday and Friday of last week as a guest of her cousin, Dewey Conroy.

Monday's Cross Country meet with Rainier was cancelled because of Rainier's lack of runners.

The coffee pot in the grade school teacher's lounge is on the same circuit as the grade school shop and every time it is plugged in, it blows out the lights in the shop, reports Mike Taylor.
