A circulating stream of 0° cold air keeps this freezer free of frost

Porcelain-on-steel interior wipes clean with a damp cloth, resists stains, rust, scratches

Super-efficient polyurethane foam insulation permits thinwall construction, more room inside

Frost never forms in this freezer! That means you never have to defrost and never have to pull packages apart because they can't stick together. Since there's no frost to hide labels, you'll have less trouble finding things. Four grille type shelves (2 adjust) allow cold air to circulate freely. Basket for extra-large packages. Five deep shelves, 2 juice/soup can racks on door. Adjustable cold control. Flush-hinged door with tight-fitting magnetic gasket. Safety-lock with pop-out key, interior light. Acrylic-finish cabinet 65 1/2 in. high, 28 1/4 in. deep, 32 1/4 in. wide. See Guarantee and Note on facing page.
