Fifty VHS'ers 'Rolled' For **First Grades**

Not all academically know ledgeable high school students crawl out of the woodwork every nine weeks. This just happens to coincide with the mystical appearance of those small sheets of papers and carbon paper (report cards) that strike terror into the hearts of VHS students and renders some parents nauseous.

To some, the Honor Roll is just something that comes with report cards, just as the dawn follows the night, and to others, making the Honor Roll can be compared with going to the dentist and being told that all they need is a cleaning

All this drivel really leads up to is the same hum-drum story that has to be reported every nine weeks, but because the teacher felt that this story needed some feeling, a little pizazz was interjected.

This quarter, 38 students achieved the 3.00 to 3.50 GPA Honors list. Those were, Debbie Bergerson, Michelle Borst, Candy Brunsman, Dick Brunsman, Scott Cameron, Rob Clason, Kris Crowston, Becky Curl, Pat Curl, Kathy DeWitt, Scott Ellis, Ken Enneberg, Carol Evans, Rick Gwin, Stephanie Gwin, Clint Holsey, Teresa Hopkins, Wendy Johnston, Loren Kennedy, Kathie Kretschmer, Connie Kyser, Debbie McLean, Ann Munro, Stuart Munro, Olson, Amy Roxyne O'Neil, Vince Parker, Rhonda Persyn, Diane Reck Renee Reck, Nancy Reynolds Reynoso, John Roady Jaime Kelly Smith, Mike Sutherlin Margy Tronson, Sandra Tupper, and Shelly Wilcoxen.

Those people reaching the High Honors, or having a GPA of 3.51 to 3.99 were, Kay Batty, Brad Bellingham, Greg Bellingham, Chris Collins, Patty Cone, Vicki Gilliland, Jim Etheridge, Sandra Leonard, Sheryl Ray, Vicki Serby, and Noell Sturde vant

And last, but not least is the most prestigious honor at Vernonia Union High School, the Principal's List. The nine weeks. only one person broke down the teachers enough to give her straight A's Rumer has it that she begged the teachers not be break her string of ones. That person was Joan Holsey.

So ends another interesting (Yawn) tale of elation and despair. The next in a series of four will appear around January 23, 1974.

Nothing Stops The Sports Lover Danny McLean, a senior at Vernonia High School, has had

many setbacks as far as sports are concerned. His first injury occured during one of the wrestling practices at

the beginning of the season. This was a broken leg which put Dan out for most of the season. This year Dan has had a few more injuries. Football which is

another one of his favorite activities, was out of the question for the first part of the year when he broke his wrist in a practice game. Another injury occured during the last game of the season when he sprained the cartilage in his right knee, and he had a cast on it for about two weeks

Nothing seems to be able to stop him though, because he is right out for the wrestling this vear

Vernonia Coaches Attend League Meet

Wednesday, November 14, the Vernonia High School coaching staff attended the Northwest League meeting held in Portland

At the meeting the coaches from the different high schools that make up the Northwest League, voted for the best football players to make up the All Northwest League Football Team. They also voted for the best cross-country runners to make up the All Northwest League cross-country team. Many VHS athletes were named on the all star teams.

This was the first meeting which band directors and women athletic coaches could attend. There are six high schools that

make up the Northwest League, Vernonia, Warrenton, Knappa Portland Christian, Concordia and Corbett

A few juniors have been striken with the habit of singing, "I'm Dreaming of a White Christmas," and can usually be heard singing it in the halls.

Pat Curl, VHS's star runner, ran in the Sauvie's Island Marathon last weekend. He took 31st place with a time of 2:49 and got on television at the first check point

The Bachelor Cooking class suffered few casualties after eating their cranberry salad.

The seniors have sold all of their candy bars and are ordering another shipment, which should arrive in about a week and a half.

Mrs. Ora Bolmeier was a substitute, for Mrs. Alvida Hearing, Tuesday November 20 and also substitute for Mr. Gary Curtis, Wednesday 21, while they attended meetings for future graduation requirements.

The library of Vernonia High School has a new TV to replace the one that was stolen.

There were 34 students absent from the high school last Monday, mostly due to students continuing their Elk hunting on a personal leave.

Two Representatives from. Bryman School in Portland visited VHS last Tuesday to talk to all Junior and Senior girls. One was Kathi Medges, VHS graduate of '73.

Teachers Have Good Turn Out of Parents

Last Thursday night and Friday the faculty of Vernonia High School was kept very busy with the parent conferences.

An estimated 50 parents came to the school and conversed with the teachers and got to know some of the newer additions to the staff. The teachers had time to talk in a leisurely manner but were kept quite busy most of the evening Thursday and all day on Friday

Most of the teachers went out to the Golf Course for lunch.

Home Bakery Law Clarified

A law passed by the 1973 Legislature requiring the licensing of some home bakery kitchens has set off alarm among some fraternal, religious, social and service organizations who have traditionally conducted occasional bake sales to raise funds, but the law does not apply to those who donate baked goods to such nonprofit organizations. The State Department of Agriculture, responsible for licensing bakeries, has obtained an

attorney general's opinion which in effect exempts home kitchens from licensing if the person doing the baking does not do so for money and no license is required of the organization selling such donated goods as long as it is a bonafide nonprofit oganization.

In other words a woman who bakes cakes, pies and cookies for the church bazaar or similar fund-raising events, may do so without a license if she does not charge for the food. The law does apply, however,

to the housewife who wants to pick up a little extra cash by selling her baked goods. The attorney general's office

cautioned the department to watch some organizations that might cross the line from simple fund raising to a frequent commericial venture. In such a case, the organization and perhaps its bakers might then be required to obtain licenses

Riverview-Mrs. Karl Yoresen returned Saturday from the midwest where she visited relatives

She was met at the airport at Denver by her brother Howard McDonald and went to his home in Gove, Kansas where she also visited another brother Emery McDonald and family. She then visited her sister, Mrs. Frank Lyon, and other relatives at Wichita, Kansas,

Mrs. Cline and children stayed with his brother and wife Mr. and Mrs. Gordon Cline at Beaverton during the first few days of his hospital stay. The children went home on Sunday for school. Mr. and Mrs. Merle Cline joined the family at Beaverton for Thanksgiving.

Mr. and Mrs. Howard Scates of Willamina visited at the homes of Mr. and Mrs. John Yadon and Mr. and Mrs. Virgil Snook on Monday.

Strange Coincidence **Occurs This Year**

This Thanksgiving, November 22, 1973 at least four people celebrated for other reasons than just Thanksgiving.

For Senior Kathy DeWitt it was her 18th birthday. Mrs. Patty Taylor, wife of the drafting teacher, also, was born on November 22. Discretion won't allow us to mention her age.

To top it off, Thanksgiving marked the 15th Anniversary for librarian Nancy Eckland. She was reluctant to mention how many years she had been married, but decided she had better since they have a 14-year-old son.
